Murders and Acquisitions Alzena MacDonald,2013-08-29 The serial killer has become increasingly prevalent in popular culture since the term was coined by Robert Ressler at the FBI in the mid 1970s Murders and Acquisitions explores the social and political implications of this cultural figure The collection argues that the often blood chilling representations of the serial killer and serial killing offered in TV series films novels and fan productions function to address contemporary concerns and preoccupations Focusing on well known popular culture texts such as The Wire Kiss the Girls Monster the Saw series American Psycho The Strangers CSI and Dexter this eclectic anthology engages with a broad spectrum of cultural theory and performs critical textual analysis to examine the sophisticated ways the serial killer is deployed to mediate and or work through cultural anxieties and fears **Epidemiologic Trends in Drug Abuse, June 2006: Proceedings** ,2007

Astronomy and Calendars - The Other Chinese Mathematics Jean-Claude Martzloff,2016-09-01 Presented from the viewpoint of the history of mathematics this book explores both epistemological aspects of Chinese traditional mathematical astronomy and lunisolar calendrical calculations The following issues are addressed 1 connections with non Chinese cultural areas 2 the possibility or impossibility of using mathematics to predict astronomical phenomena a question that was constantly raised by the Chinese from antiquity through medieval times 3 the modes of representation of numbers and in particular the zero found in the context of Chinese calendrical calculations and 4 a detailed analysis of lunisolar calendrical calculations Fully worked out examples and comparisons between the results of calculations and the content of Chinese historical calendars from various periods are provided Traditional Chinese calendrical and mathematical astronomy consists of permanently reformed mathematical procedures designed to predict but not explain phenomena pertaining to astronomy and related areas Yet despite appearances models of the mathematical techniques hidden behind this voluminous corpus reveal that they depend on a limited number of clear cut mathematical structures Although only a small fraction of these techniques have been fully studied what is known surprisingly broadens our knowledge of the history of Chinese mathematics Sinologists interested in the history of Chinese science and anyone interested in the history of Chinese mathematics the Chinese calendar and the history of Chinese mathematical astronomy from its origin 104 BC to its European reform AD 1644 will find this book very useful The present English language edition is a fully revised and updated version of the French original Even though this is a research monograph in sinology no particular sinological background is required although a basic understanding of concrete mathematics is needed From the reviews of the French edition This is a demanding rigorous book to read worth the concentrated study it requires The rewards are not only in the details but in the general overview that it provides Joseph Dauben EASTM 2011 first Work in a Western language to turn to for anyone

interested in the details of Chinese calendrical computations Benno Van Dalen ISIS 2011 Martzloff's careful scholarship and his overall look at the calendar beyond astronomical calculations make this book a most valuable contribution to a field of increasing interest U D Ambrosio Mathematical Reviews 2013 *Mexican American Mojo* Anthony Macías, 2008-11-11 A study of the creation of jazz swing and R B music within the multicultural multiethnic terrain of Los Angeles during and after World War II **Reading The Sopranos** David Lavery, 2006-02-24 Bada bing What drama The most important work of American popular culture in fifty years is how the New York Times describes The Sopranos Critically acclaimed award winning and the most watched show on HBO the mobster drama swirls around the middle aged Mafioso Tony Soprano James Gandolfini Having to negotiate two families both at home and at work is it any wonder he is suffering an epic midlife crisis involving Prozac and visits to a therapist The series quickly became compulsory watching when it first screened back in 1999 and has since gone on to become an international hit and subject of intense discussion Coinciding with the sixth and penultimate series Reading The Sopranos offers a timely response to one of the most talked about shows on television This book explores how The Sopranos has rewritten the rules of television drama and changed attitudes about television itself Contributors present fresh perspectives on psychotherapy and dreams racism and the Italian American community Carmela and post feminism The Sopranos as an HBO brand racism the full cast of gangsters Italianate that people Sopranos New Jersey and much more Reading The Sopranos also features a timeline character list and complete episode guide as well as editor David Lavery's up to date Intertextual Moments and Allusions on The Sopranos **Apes and Monkeys on the Early Modern Stage, 1603-1659** Teresa Grant, 2024-07-06 This book is the first full length study of apes and monkeys on the early modern stage It broadens the scope of existing scholarship by situating the apes glimpsed in Shakespeare's plays in the wider context of the many uncelebrated uses by other playwrights c 1603 1659 The book investigates the theatrical appearances of real monkeys actors dressed up as apes and characters mistaken for them arguing that the ape trope is so insistent in early modern drama that it becomes a structural metaphor It addresses both plays and masques across the period arguing that the ways of seeing in these different kinds of theatre make apes mean differently in their generic contexts Grounded in historicist readings this book also draws significantly on the field of ritual studies and the new intersectional discipline of animal performance studies *Los Angeles Magazine* , 2004-08 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Los Angeles Magazine** , 2004-08 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design
