Siempre la memoria, mejor que el olvido Leonardo Padura, 2016-01-01 Ya se sabe que en los últimos tiempos el oficio de periodista se ha convertido en uno de los más peligrosos del mundo aunque también habrá que decir uno de los más adictivos. Y a pesar de las sabias advertencias del narrador norteamericano Ernest Hemingway acerca de la fatal influencia que su práctica prolongada podía ejercer sobre los escritores, no son pocos los ex periodistas que sufren graves recaídas incluso después de haber consolidado una brillante carrera literaria. Este parece ser el caso del cubano Leonardo Padura Fuentes. La Habana 1955 Premio Princesa de Asturias de las Letras 2015 que hasta el día de hoy no ha querido o quizá no ha podido desengancharse de una actividad que empezó a practicar antes incluso de concluir sus estudios universitarios de Letras y por supuesto de publicar sus primeros libros. Empezado desde entonces en ser escritor a toda costa Padura encontró precisamente en el autor norteamericano un paradigma a seguir durante sus primeros años de aprendizaje. Y aunque después renegó a de su juvenil filiación hemingwayana, la prosa afilada y precisa del Papa lo acompaña el tiempo necesario para crear y pulir sus propias herramientas mientras cubría su plaza como redactor de El Caimán Barbudo, un magazine literario para el cual escribió sus primeras crónicas y donde publicó su primer cuento a principios de la década de 1980. Entre esos dos polos, la memoria rescatada y la necesidad permanente de lidiar contra el olvido programado o hijo de la desidia, se sitúa este libro como un primer repaso a la obra periodística de Leonardo Padura. Una mirada abarcadora hacia el pasado y el presente de aquel joven escritor que una vez quiso ser como Hemingway pero no se conformó y terminó encontrando su propio camino como viene a confirmar la trascendencia de su trabajo literario y también la permanencia de su

periodismo que a pesar de los años continúa vivo y actuante hasta el día de hoy como un reflejo posible de la vida cubana. Lucía López Coll *Bachata and Dominican Identity / La bachata y la identidad dominicana* Julie A. Sellers, 2014-10-02. Bachata, a guitar-based romantic music that debuted in Santo Domingo's urban shantytowns in the 1960s, is today one of the hottest Latin genres. Still, fans and musicians have not forgotten the social stigma the genre carried for decades. This book interweaves bachata's history and development with the socio-political context of Dominican identity. The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations, the growth of the lower class, and a devoted following among Dominican migrants. La bachata, una música de guitarra que se estrenó en los barrios populares de Santo Domingo en los años 60, hoy es uno de los géneros latinos más populares. No obstante, sus aficionados y sus exponentes recuerdan el estigma social asociado que conllevó por décadas. Este libro entrelaza la historia y el desarrollo de la bachata con el contexto socio-político de la identidad dominicana. La autora plantea que su desaprobación temprana resultó del clima político en que nació y los vínculos entre raza y clase social. Propone que su aceptación final como símbolo de identidad dominicana surge de sus innovaciones, el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos.

Ensayo poético José Guerrero Bautista, 2013-08. En un mar de pasiones. José Guerrero Bautista es un autor y compositor nacido en Santo Domingo, República Dominicana. En *Ensayo Poético* su primera publicación, José Guerrero nos entrega una variada selección de poemas escritos en un lenguaje simple y armonioso con el cual es fácil identificarse. En ellos nos habla de su Patria, amores imposibles y pasiones prohibidas. La obra se divide en tres partes: I De Las Pasiones y Los Sueños, II De Mi Patria y Tierra Adentro, III De Mis Amores y Lamentos. Radicado en la Florida desde hace más de 20 años, sigue aferrado a su origen como lo demuestran los diez poemas dedicados a la Historia, Cultura y Tradición Dominicanas. Incansable busca el mar, una isla en erupción donde la noche y el día no encuentren su división. Desierta de testigos y ausente de dolor para quemar en su playa nuestra prohibida pasión.

The Best Test Preparation for the SAT Subject Test Gene M. Hammitt, Ricardo Gutierrez Mouat, Mary Ellen Munoz Page, Florida William Stivers, 2006-01-01. Includes subject review, drills, test-taking strategies, and full-length sample tests with explanatory answers. **Focus: Music of the Caribbean** Sydney Hutchinson, 2019-10-22.

Focus: Music of the Caribbean presents the most important issues of Caribbean musical history and current practice, discussing thought-provoking questions in a student-friendly fashion. It uses current ethnomusicological research on Caribbean music to tell the stories of Caribbean history, those of colonialism and neocolonialism, race and nationalism, marginalization and globalization, and to explore that history's continuing impact on the lives, cultures, music, and dance of modern-day people in the Caribbean and beyond. In three parts, the text presents an embodied understanding of the sounds, rhythms, and movements that exemplify the history, culture, and politics of Caribbean music. I Caribbean Music and Caribbean History establishes a framework for thinking about Caribbean musical history and the roles race and migration play. II Music

and Dance in Caribbean Societies considers how contrasting forms of dance music reconcile competing ideas about Caribbean identities past and present III Focusing In The Social Lives of Musical Instruments in Merengue T pico explores the music of the Dominican Cibao region through a focus of the genre s dominant musical instruments Accessible to all students regardless of musical background Focus Music of the Caribbean is bolstered by web resources including more than sixty detailed listening guides and accompanying playlists vocabulary lists and student quizzes Discussion questions and activities for each chapter are featured in the text
