David Caute, 1994 Losey's career began with experimental theatre in N Y and on to the Hollywood blacklists In addition to appraising his thirty one features provides a compelling portrait of a hugely driven talent honoured in Europe but ignored in Hollywood whose creative generosity alcohol addiction and sometimes brutal egoism excited equally fierce reactions

Moreover Phillips seeks to represent the various trends in filmmaking that have evolved over the years such as American film noir which is included in the discussion of Alfred Hitchcock's films and British social realism which is included in the discussion of Bryan Forbes's films BOOK JACKET *The Films of Joseph Losey* James Palmer, Michael Riley, 1993-06-25 The career of the expatriate director is re-examined through an analysis of King and Country The Servant Accident The Go Between and the Romantic Englishwoman Concerned with the abuse of power inherent in intimate relationships he examined its manifestations in institutions and social classes as well **Joseph Losey** Colin Gardner, 2019-01-11 The career of

Wisconsin born Joseph Losey spanned over four decades and several countries A self-proclaimed Marxist and veteran of the 1930s Soviet agit-prop theater he collaborated with Bertolt Brecht before directing noir B pictures in Hollywood A victim of McCarthyism he later crossed the Atlantic to direct a series of seminal British films such as Time Without Pity Eve The Servant and The Go Between which mark him as one of the cinema's greatest baroque stylists His British films reflect on exile and the outsider's view of a class-bound society in crisis through a style rooted in the European art-house tradition of Resnais and Godard Gardner employs recent methodologies from cultural studies and poststructural theory exploring and clarifying the films' uneasy tension between class and gender and their explorations of fractured temporality *Joseph Losey*

Paolo Gobetti, 1967 Marked Women Russell Campbell, 2006-04-05 Julia Roberts played a prostitute famously in Pretty Woman So did Jodie Foster in Taxi Driver Jane Fonda in Kluge Anna Karina in *Vivre sa vie* Greta Garbo in *Anna Christie* and Charlize Theron who won an Academy Award for *Monster* This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present-day industry From the woman with control over her own destiny to the woman who cannot get away from her pimp Russell Campbell shows the diverse representations of prostitutes in film *Marked Women* classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy The Happy Hooker for example is the liberated woman whose only goal is to give as much pleasure as she receives while the Avenger a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men The Love

Story a common narrative represents the prostitute as both heroine and anti heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions **Joseph Losey** Foster Hirsch,1980
