Ainslee's, 1912 *Triksta* Nik Cohn, 2009-03-12 Acclaimed music writer Nik Cohn's love of hip hop goes back to its beginnings and his love of New Orleans even further to when he passed through the Big Easy on tour with The Who and discovered a place with a magic that never failed to seize him On the surface he's the least likely candidate for a rap impresario But with his signature charm and passion he plunges headfirst into the wards clubs and projects of New Orleans opening up a world closed to most outsiders a journey into the heart of the hip hop dream and into larger question of racial identity in America Written before Hurricane Katrina struck and published here with an afterword that chronicles how Katrina altered the lives of those he met *Triksta* now stands as an elegy to a city its music and its people **Canadian Film and Video** Loren R.
