Between Heaven and Earth Robert A. Orsi,2013-10-31 Between Heaven and Earth explores the relationships men women and children have formed with the Virgin Mary and the saints in twentieth century American Catholic history and reflects more broadly on how people live in the company of sacred figures and how these relationships shape the ties between people on earth In this boldly argued and beautifully written book Robert Orsi also considers how scholars of religion occupy the ground in between belief and analysis faith and scholarship Orsi infuses his analysis with an autobiographical voice steeped in his own Italian American Catholic background from the devotion of his uncle Sal who had cerebral palsy to a crippled saint Margaret of Castello to the bond of his Tuscan grandmother with Saint Gemma Galgani Religion exists not as a medium of making meanings Orsi maintains but as a network of relationships between heaven and earth involving people of all ages as well as the many sacred figures they hold dear Orsi argues that modern academic theorizing about religion has long sanctioned dubious distinctions between good or real religious expression on the one hand and bad or bogus religion on the other which marginalize these everyday relationships with sacred figures This book is a brilliant critical inquiry into the lives

that people make for better or worse between heaven and earth and into the ways scholars of religion could better study of these worlds **Haunted Gem** Gabriella Lucas,2025-02-24 She talks to ghosts He talks to God Gemma Martelli knows where all the bodies are buried and she talks to their spirits to help detectives solve cases All she needs is a piece of jewelry from the deceased to make contact When a detective asks for her help on a cold case the unsolved murder of Judith Walsh she s eager to get involved until she finds out who the young woman was engaged to Reverend Luke Bailey the man Gemma is crazy about Luke wants to move on from the tragic loss of his fianc and he s falling for Gemma But how will he feel when he discovers that it s Judith s spirit she s talking to Finding Colin Firth Mia March,2013-07-09 Three women connected in secret and surprising ways are in for a life changing summer when rumor has it that actor Colin Firth is coming to their Maine town to film a movie *Helping Those Experiencing Loss* Robert J. Responses to Trauma in Twenty-First-Century French and Spanish Women's Writing Hannie Lawlor, 2024-08-28
Relational Responses to Trauma in Twenty First Century French and Spanish Women's Writing offers new insight into what it means to write relational lives It broadens the parameters of existing discussions in terms of geography as well as genre drawing together two literatures whose prominence in life writing theory to date could hardly be more different while French women's writing has long been at the centre of international discussions of autobiography the relative invisibility of Spanish women's writing remains striking The dialogue that thus underpins this study between diverse twenty first century case studies and broader approaches to life writing shines a light on what is gained from inviting different voices into the discussion These narrative projects challenge longstanding critical assumptions in autobiography studies and trauma theory about how writers can and should represent the multiple perspectives that are at the heart of intergenerational stories In exploring the narrative solutions that these texts propose in response to the ethical questions they navigate this book shows that writing relational lives rests on far more than the mere recounting of a shared history Relating in these texts it proposes is an act embedded in the telling of the story It is a mode of testifying together to traumatic experience one that reveals a powerful preoccupation in contemporary women's life writing practice with making more audible the many voices and versions that go unheard **My Perfect Sister** Penny Batchelor, 2023-04-27 LONGLISTED for the Guardian's Not the
