Michael Hallmann

Losing The Rat Race Winning At Life:

Losing the Rat Race, Winning at Life Marc Angel, 2005 In the rush to meet the challenges and pressures of life we don't always allow ourselves the time to contemplate the meaning of our realities Why are we here What do we hope to accomplish with our lives Where are we headed What is genuinely important We live in an exciting fast paced world that can provide us with many good things On some level however we find ourselves feeling stuck in a rat race that lacks ultimate meaning This book sheds light on the obstacles of the rat race stimulates thought about the direction of our lives and helps us draw on our strengths to get beyond the mundane **The Wisdom of Solomon and Us** Rabbi Marc D. Angel,

PhD, 2016-05-18 A fascinating exploration of biblical texts attributed to the ancient King Solomon Ecclesiastes Proverbs and the Song of Songs and what they teach us about life's meaning and mission the significance of each human being in the vastness of space and eternity of time ethics righteousness spirituality and our relationship with God Men who Win

Steven J. Lawson, 1992 Liberally laced with humor and vivid illustrations from the sports and business worlds Men Who Win is written to help men get away from the modern rat race which stresses competitiveness and into life's ultimate pursuit the challenge to live for Christ **Tell Me The Truth About Loss** Niamh Fitzpatrick, 2020-09-25 In March 2017 Niamh

Fitzpatrick's life fell apart overnight Her beloved sister Dara was killed in a helicopter crash Soon afterwards Niamh's marriage disintegrated and she feared she would lose her house Life as she knew it had ended and the loss she suffered was staggering A psychologist for many years Niamh's job was to guide clients through the worst times in their lives Drawing on everything she learned first to survive and then in time to begin to thrive Tell Me the Truth about Loss is a psychologist's journey through loss grief and the worst of times while finding hope along the way A beautiful book for when life isn't what you expect it to be *navigating life's lost and found* Michael Hallmann, It wasn't supposed to be this way Life was

supposed to be the nice home good job the white picket fence The American dream But somewhere along the line something went wrong drastically wrong The career that guaranteed the good life fell short The idyllic marriage that started out full of love hope and anticipation gradually fizzled out Your 401 k is now a 201 k The dream home is under water The pension that you counted on got cut The money that you set aside for your kid's college was supposed to grow not shrink What happened We followed the path that was so deftly portrayed as full of promise and allure but it has fallen far short of what we believed it would be In Navigating Life's Lost and Found you will learn Which path you are heading down The American Dream is possible as long as you follow the right path How to eliminate worry from your life The difference between a follower and a believer To live a life of fulfillment and abundance If the path that you're on has left you wondering Is this what life is meant to be let this book lead you to the path of the life you were born to live *In It to Win It* Steven J. Lawson, 2013 What believer doesn't want to succeed in the Christian life God's desire is for His people to experience real success the kind that lasts into eternity and not the world's fleshly substitute With the help of athletic illustrations both from Scripture and real life

you will learn what it takes to be your best by discovering what it really means to put God first in all things how to live the Christian life in God's power the essentials for building spiritual endurance effective ways to avoid hindrances and temptation the keys to making the best choices and finishing strong Winning with God makes you a winner in every area of life No matter what your occupation or background the principles in this book will enable you to experience God's kind of success a success that will have a positive impact on all you do **Winning While Losing** Jennifer Green, 2017-05-29 As of right now we are no longer married These were the words I heard from my husband when he came to pick me up at the Ottawa International Airport after a week away He sat me in a corner and said I can't live with you anymore I took away your house key I closed our joint accounts Here is 500 for you to use You can stay at a friend's house or a hotel but you are not coming home You can see the kids tomorrow While this might sound like a scene from a novel or a movie this actually happened to Jennifer Green on Valentine's Day in 2015 In less than 5 minutes she learned that her previous life was over What followed was an almost two year journey from betrayal anger and despair to peace inner strength and a new beginning While often a painful process Jennifer now celebrates the growth that allowed her to realize I was not falling apart I was falling in to place Filled with honesty and insight **Winning While Losing** The Upside of Heartbreak is a must read book for anyone going through the searing pain of separation divorce or betrayal In it Jennifer shares her own experiences through blogs she wrote during her journey her knowledge as a life coach and tips and exercises to move past the pain into self appreciation mindfulness and gratitude **Krishna's Kiss** Varalotti Rengasamy, 2021-02-21 The great Lord the Flautist Krishna has come down to kiss us We cover our cheeks with our hands We do not want His kiss We want something else an iPhone a larger house promotion pay hike oh it's a long list Lord Krishna gave Bhagavad Gita to us only to prepare us for His kiss The kind Lord almost whispered Bhagavad Gita in your ears Why Only to remove your hands from your cheeks So that He can kiss you with His beautiful lips I beg of you dears please remove your hands Once you taste His kiss everything else in the world will be insipid And that kiss can even transform an ugly frog into a handsome prince But once you taste that kiss you will never want to become a prince You will rather be a frog living in filth waiting for that kiss for all eternity The name Bhagavad Gita has been translated as The Divine Song Or The Song Celestial Or as The Song of Love Personally I will prefer to translate it as Krishna's Kiss Can you think of something better This is not a religious book but a book that will usher in a new religion a religion of love Lalitha Shivaguru Reviewer **Where There's a Will There's a Way** Laurie E. Maguire, 2006 Draws on the wisdom of the Shakespeare to provide comfort empathy encouragement and practical suggestions for dealing with the vast complexities of everyday life identity relationships family loss love death and other universal concepts Life's Dueling Dualities Stephen Michael Soreff MD, 2020-12-04 Life is simple Follow a few maxims and it is easy No In growing up everyone must deal with a series of opposing dual messages For example one hears If you hesitate you lose Good Then one also learns Look before you leap Both are correct What to do And this is only one of life's six

contradictions This book identifies the six dual dueling ideas The first is Carpe Diem vs Reflection and Contemplation Or its variation the early bird gets the worm but the second mouse gets the cheese The second is ambivalence which amazingly means simultaneously loving and hating something or someone The third involves following your heart versus the head and we all root for the Hollywood ending The fourth looks at whether it is better to work alone or as part of a group The fifth deals with whether you should follow the rules or challenge them The sixth shows the advantages of having big picture views in your life while also appreciating your daily realities The final chapter Transcendence offers a unique answer and alternative to all the six contradictions As a grandfather a father a psychiatrist a son a brother a wishing to be better golfer a jogger a sailor a hiker an amateur geologist want to be comedian local newspaper reporter and a veteran of School of Hard Knocks the author has wrestled with all six of them and discovered moments of transcendence In this book he shares his observations and philosophy about all of them with his grandchildren and you Based on this book you can make better decisions The book itself is engaging insightful witty and entertaining It is full of examples from history literature and the author s experiences Welcome and enjoy
