The Book of Jasher Flaccus Albinus Alcuins,2000 According to some sources this book was once the original start of the Bible We do know at one time that it was once part of the Bible being referred to in Joshua and Second Samuel It also survived the burning of the Alexandria Library in about 389 AD due to a fast acting custodian Albinus Alcuin later found this work and did the original translation of it from Hebrew in 800 AD It was later suppressed but rediscovered in 1829 when it was once again suppressed Only now has it reemerged to become widely available and judged properly for its value Note A more common 64 page version is in circulation but is a proven forgery
