The Lost Fairy Marian Broderick, 2001 **The Lost Fairy** Jimmy Smyth, 2013-09 Lucas and his two Jack Russell terriers Jake and Amber always seem to have the ability to become part of an exciting adventure Their adventures are wide and varied from meeting up with leprechauns and fairies to going back in time to the launch of the Titanic and to a monastery in the 12th century In *The Lost Fairy* Lucas Jake and Amber find a little fairy called Breena who is lost and unable to find her way home Endangered Species Technical Bulletin , 1994 Literary Cultures and Nineteenth-Century Childhoods Kristine Moruzi, Michelle J. Smith, 2023-09-28 *Literary Cultures and Nineteenth Century Childhoods* explores the construction of the child and the development of texts for children in the nineteenth century through the application of fresh theoretical approaches and attention to aspects of literary childhoods that have only recently begun to be illuminated This scope enables examination of the child in canonical nineteenth century novels by Charles Dickens Elizabeth Gaskell Charlotte Bronte and Thomas Hardy alongside well known fiction intended for young readers by George MacDonald Christabel Coleridge and Kate Greenaway The century was also distinctive for the rise of the children s magazine and this book broadens the definition of literary cultures to include magazines produced both by and for young people The volume examines how the child and family are conceptualised how children are positioned as readers in genres including the domestic novel school story Robinsonade and fantasy fiction how literary childhoods are written and politicised and how childhood intersects with perceptions of animals and the natural environment The range of chapters in this collection and the texts they consider demonstrates the variability and fluidity of literary cultures and nineteenth century childhoods Library of Southern Literature: Historical side-lights, 50 reading courses, chart, bibliography and index Edwin Anderson Alderman, Joel Chandler Harris, Charles W. Flights of Fancy, Leaps of Faith Cindy Dell Clark,1995 Through the mysteries and myths of Christmas and Easter families balance the values of receiving and giving of growth and sacrifice Each aspect of the Santa myth from his slide down a chimney to his big red suit plays a part in a child s imagination Through their offerings of milk and cookies and their letter writing children bring their relationship to Santa into developing attitudes toward giving and receiving gifts The Easter Bunny story with its ritual egg hunt and baskets of brightly colored candy is explored in terms of life and its possibility of growth In these examples Clark shows how children play an active role in constructing family rituals and cultural reality since their willingness to make the stories their own helps to renew the traditions
