## Lost In Atlanta:

**Lost in Atlanta** Dean McCrary, Rikeem Wilburn, 2003      Lost in Atlanta Dean McCrary, 2005 Lost in Atlanta is an engaging tale about the affects of pretense and insecurity in Atlanta's youthful African American culture The story follows the experiences of several characters male and female alike who have each subscribed to deception as a means of getting what they want from those who they have chosen to interact with Throughout the course of the story they come to discover that they have each become victims of their own practices forcing them to re evaluate their priorities      The Crisis William Edward Burghardt Du Bois, 1927      *Crisis* William Edward Burghardt Du Bois, 1927 A record of the darker races      NBA Register George Puro, 1994      **Lost Atlanta** Michael Rose, 2015-05-01 A vivid journey back into Atlanta's past revealing some of the city's most grievous losses to the wrecking ball Old theaters hotels ballparks civic buildings and the early transport system of Atlanta are recalled in this book written by an Atlanta historian and his colleagues at the Atlanta History Center Listed in chronological order the losses stretch back to 1821 and the Creek Indians Major events in Atlanta history are covered such as the Civil War destruction of 1864 the Cotton States International Exposition of 1896 the Great Atlanta Fire of 1917 right through to 1996 and the dismantling of key venues after the 1996 Olympic Games Sites include Georgia State Capitol Ponce de Leon Springs Jacob's Pharmacy Candler Race Track Union Passenger Depot Kimball House Hotel Atlanta Crackers Buttermilk Bottom Hebrew Orphanage Henry Grady Hotel Plaza Park 1904 Atlanta Terminal Station The Omni the Greyhound Bus Terminal Fort Hood and the Ponder House Piedmont Hotel Lake Abana the Howard Theatre and ferries across the Chattahoochee      The history of her regiments, and other military organizations Whitelaw Reid, 1868

**Many Were Held by the Sea** R. Neil Scott, 2012-06-18 At 8 43 a m on the morning of Sunday October 6 1918 HMS Kashmir rammed HMS Otranto off Islay Scotland Both ships were former British passenger liners from the P O Steamship Company that had been pulled into the war to ferry American soldiers between New York and various British ports On this stormy morning however they were part of Convoy HX 50 carrying troops to Liverpool On board were 372 British officers and sailors and 701 American soldiers The Americans were mostly Southern farm boys from Fort Screven in Savannah under the command of Lt Sam Levy a Georgia Tech graduate from Atlanta The Kashmir managed to back away and follow the harsh wartime order that required her to ignore any maritime disasters that might befall her sister ships and to continue on her prescribed course rather than stop and take on survivors Thus it was that with winds blowing at 70 to 75 mph and waves at more than 60 feet the severely damaged Otranto was left dead in the water with more than a thousand souls aboard Many Were Held by the Sea The Tragic Sinking of HMS Otranto tells the story of what happened during that voyage mostly from the perspective of the American soldiers and builds to the disastrous conclusion The narrative details the courage of the young men on board men who for the most part had never seen the ocean or learned to swim It tells of the anguish from the home front as family members had to wait weeks to learn the fate of their relatives In addition Scott's narrative tells the

personal story of Lieutenant Craven of the Royal Navy serving as Commander of the rescue ship who was forced to gamble with the lives of those on both ships in order to save the maximum number of passengers      *Nineteenth century* John Clark Ridpath,1890      **Adventures with Ari** Kathryn Miles,2009-04-01 Merle s Door was a sensation because Ted Kerasote writes so beautifully about his dog and his dog s love of the land In Adventures with Ari Kathryn Miles takes a step back from the wild places Kerasote describes When she adopts Ari an exotic Jindo dog the two of them begin to explore the outdoors together A dog sees the world quite differently from a person For starters he or she is much closer to the ground to what we ve been trying to preserve more and more of these days A dog is the original environmental activist The sights sounds and smells of nature are what make a dog a dog And if you want to learn more about nature try enjoying life like a dog Kathryn Miles sets out to do just that when she becomes determined to let Ari live life on her own terms Once some basic ground rules are set Kathryn takes the leash off her dog and the blinders off her own eyes A new world soon emerges She and Ari explore a backyard landscape of grass mud snow trees and the occasional fox They find the scent of a northern wind the footprints of a startled raccoon and other secrets of the natural world The puppy s free spirited outlook teaches Kathryn to see more when she might otherwise have seen less while adding a certain excitement and clarity of vision Soon Kathryn begins to give up control and know the world as Ari learns it Peppered with factual information about our natural world and the creatures that inhabit it Adventures with Ari makes compelling reading for dog lovers as well as anyone who s been out and about in the woods Like most projects of discovery this process forces Kathryn to uncover much more than the physical it allows important insight to her thoughts and feelings and her relationship with her entire family all thanks to a puppy named Ari
