Ancient Greek Myth in World Fiction since 1989 Justine McConnell,Edith Hall,2016-06-02 Ancient Greek Myth in World Fiction since 1989 explores the diverse ways that contemporary world fiction has engaged with ancient Greek myth Whether as a framing device or a filter or via resonances and parallels Greek myth has proven fruitful for many writers of fiction since the end of the Cold War This volume examines the varied ways that writers from around the world have turned to classical antiquity to articulate their own contemporary concerns Featuring contributions by an international group of scholars from a number of disciplines the volume offers a cutting edge interdisciplinary approach to contemporary literature from around the world Analysing a range of significant authors and works not usually brought together in one place the book introduces readers to some less familiar fiction while demonstrating the central place that classical literature can claim in the global literary curriculum of the third millennium The modern fiction covered is as varied as the acclaimed North American television series The Wire contemporary Arab fiction the Japanese novels of Haruki Murakami and the works of New Zealand s foremost Maori writer Witi Ihimaera

Pathways to Peace Kimberly Paquette,2009-09 The desire for peace is universal Peace education can provide children with the tools necessary to deal with change and adversity throughout their lives In today s fast paced technology rich world it can be tempting to join the race and work to an end result at breakneck speeds However without slowing down and showing children what the world has to offer children will not know the beauty the world holds that which is worth protecting nor will they be inclined to see the beauty and spirit of those around them Peace education can be a lesson in the art of simplicity It can also be a lesson in turning inward to find calm in the midst of chaos Peace education when presented in a well thought out manner can inspire children to be the future peacemakers of our world and ultimately lead this future generation toward the development of a peaceful planet Humankind has been working for and promoting peace since the beginning of history and during this time many have agreed that the most effective and promising way to promote peace in the world is to begin with a child In Pathways to Peace author Kimberly Paquette presents a peace based curriculum to provide children with the tools to construct and build a peaceful tomorrow through exposure to peaceful symbols practices and language Combining Gardner s Multiple Intelligence Theory and Montessori education Pathways to Peace promotes

peace and its practice in the classroom Geared for three to six year old students this guide includes both theory and a curriculum where teachers can incorporate peace in all aspects of the classroom The guide encompasses lessons for each of the multiple intelligences and can be adapted for use in schools religious education programs after school programs summer camps and other areas Pathways to Peace presents a curriculum to allow peace to manifest itself in the hearts of children who are the earth s salvation The mission of peace education is to show children the path that would lead the world toward true peace
