Acadia, Missing Links of a Lost Chapter in American History Edouard Richard, 1895 Relates to the deportation of the Acadians the author considers the work of earlier historians and is especially critical of T B Akins the compiler of Nova Scotia archives I and Francis Parkman Lost and Found in Acadie Clive Doucet, 2004 Draws connections between such diverse events as le Grand D rangement and the suppression of the Maetis in Western Canada between the Seven Years War and the current global political climate In tracing these connections the author discovers that Acadie is not lost in a painful past The true Acadie is found in our relationships to the past to the future and to anyone who cares about both *Lost in the Crowd* Gregory M.W. Kennedy, 2024-02-13 In December 1915 as the First World War wore on Acadian leaders meeting in New Brunswick deplored how soldiers from their communities were lost in the crowd of the Canadian Expeditionary Force They successfully lobbied the federal government for the creation of an Acadian national unit that would be French speaking Catholic and led by their own More than a thousand Acadians from across the Maritime provinces Quebec and the American northeast answered the call In *Lost in the Crowd* Gregory Kennedy draws on military archives census records newspapers and soldiers letters to present a new kind of military history focusing on the experiences of Acadian soldiers and their families before during and after the war He shows that Acadians were just as likely to enlist as their English speaking counterparts across the Maritimes though the backgrounds of the volunteers were quite different Kennedy tackles controversial topics often missing from the previous historiography such as underage recruits desertion and army discipline With the help of the 1921 Canadian Census he explores the factors that influenced post war outcomes both positive and negative for soldiers families and communities *Lost in the Crowd* offers a completely new and replicable approach to the traditional regimental history reconstituting the lives of soldiers and their families The focus on the Acadians a francophone minority group in the Maritime provinces significantly shifts our understanding of French Canada and the First World War
