The Lost Battle C. A. MacDonald,1993-01-01 The Lost Battle C. A. MacDonald,2002 A highly intriguing and moving account of this significant and wasteful battle The invasion of Crete in 1941 should have been a textbook battle for General Kurt Students German troops a swift and decisive blitzkrieg based on technical surprise In fact it was based on a series of misjudgements which resulted in large and bloody losses and Crete became the graveyard of the German parachute troops

Naval Warfare 1919-45 Malcolm H. Murfett,2008-11-04 Naval Warfare 1919 45 is a comprehensive history of the war at sea from the end of the Great War to the end of World War Two Showing the bewildering nature and complexity of the war facing those charged with fighting it around the world this book ranges far and wide sweeping across all naval theatres and those powers performing major as well as minor roles within them Armed with the latest material from an extensive set of sources Malcolm H Murfett has written an absorbing as well as a comprehensive reference work He demonstrates that superior equipment and the best intelligence ominous power and systematic planning vast finance and suitable training are often simply not enough in themselves to guarantee the successful outcome of a particular encounter at sea Sometimes the narrow difference between victory and defeat hinges on those infinite variables the individual s performance under acute pressure and sheer luck Naval Warfare 1919 45 is an analytical and interpretive study which is an accessible and fascinating read both for students and for interested members of the general public *War and Cold War in American Foreign Policy, 1942-62* D. Carter,R. Clifton,2001-12-04 Making use of newly researched archival material this collection of original essays on wartime and postwar US foreign policy re evaluates well known crises and documents many less familiar aspects of the nation s mid twentieth century conflicts Leading diplomatic historians address familiar subjects from new angles They offer new evidence about the risks run and the costs incurred in the prosecution of the Cold War from Korea to the Caribbean And they provide up to date accounting of mid twentieth century American diplomacy s global purposes and consequences *Air University Library Index to Military Periodicals* ,1995 **Intelligence in War** John Keegan,2003-10-28 A masterly look at the value and limitations of intelligence in the conduct of war from the premier military historian of our time John Keegan Intelligence gathering is an immensely complicated and vulnerable endeavor And it often fails Until the invention of the telegraph and radio information often traveled no faster than a horse could ride yet intelligence helped defeat Napoleon In the twentieth century photo analysts didn t recognize Germany s V 2 rockets for what they were on the other hand intelligence helped lead to victory over the Japanese at Midway In Intelligence in War John Keegan illustrates that only when paired with force has military intelligence been an effective tool as it may one day be in besting al Qaeda *Joint Force*

Ode to Bully Beef Rosie Serdiville, John

Sadler, 2014-03-03 The Second World War 1939-45 was not greeted with the same lavish outpouring of patriotic fervour that had attended August 1914 Any rags of glory had long since been drowned in the mud of Flanders The Great War had been heralded as the war to end all wars veterans were promised a land fit for heroes Both of these vain boasts soon began to sound hollow as depression unemployment poverty and a rash of new wars followed The sons and daughters of those who had embarked upon their own patriotic Calvary did so again in an altogether more sombre spirit One significant difference between the two conflicts is that whilst both were industrial wars the Second World War was far nearer the concept of total war The growth of strategic air power in its infancy in 1918 had by 1939 become a reality In this war even more widespread and terrible than the last there were to be no civilians Death sought new victims everywhere British citizens were now in the front line there was to be no respite no hiding place This is the poetry and prose of those who were there ordinary people caught in the terrible maelstrom of mass conflict on a scale hitherto unimagined this is their testimony
