Gripping Araujo s accretion of detail has a powerful effect demonstrating how deeply the culture of violence has seeped into the social fabric of Amazonia and how hard it will be to eradicate New York Times Book Review A raw account of the critical struggle between law and lawlessness on the world s last great frontier Christian Science Monitor In the tradition of Killers of the Flower Moon a haunting murder mystery revealing the human story behind one of the most devastating crimes of our time the ruthless destruction of the Amazon rain forest and anyone who stands in the way Deep in the heart of the Amazon the city of Rondon do Par Brazil lived for decades in the shadow of land barons or fazendeiros who maintained control of the region through unscrupulous land grabs and egregious human rights violations They razed and burned the jungle expelled small scale farmers and Indigenous tribes from their lands and treated their farmhands as slaves all with impunity The only true opposition came from Rondon s small but robust farmworkers union led by the charismatic Dezinho who fought to put power back into the hands of the people who called the Amazon home But when Dezinho was assassinated in cold blood it seemed the farmworkers struggle had come to a violent and fruitless end What no one anticipated was that this event would bring forth an unlikely hero Dezinho s widow Against great odds and at extreme personal risk Maria Joel now a single mother of four young children used her ingenuity and unwavering support from union members to bring her husband s killer to account in court Her campaign gained unexpected momentum helping to bring international attention to the dire situation in Rondon from Brazil s president Lula to international celebrities and civil rights groups Maria Joel s fight for justice had far reaching implications it unearthed a chilling world of corruption and lawlessness rooted in Brazil s quest to turn the largest rain forest on earth into an economic frontier As more details came out it began to look increasingly likely that Dezinho s killer a reluctant and inexperienced gunman was just one piece of a larger criminal consortium with ties leading all the way up to one of the region s most powerful and notorious fazendeiros of all Featuring groundbreaking revelations and exclusive interviews this gripping work of narrative nonfiction is the culmination of journalist Heriberto Araujo s years long investigation in the heart of the Amazon Set against the backdrop of appalling deforestation rates and resultant superfires Masters of the Lost Land vividly reveals the human story behind the loss of and fierce crusade to protect one of our greatest resources in the fight against climate change and one of the last wild places on earth **The Lost City of Z** David Grann,2009-08-10 NOW A MAJOR FILM STARRING ROBERT PATTINSON CHARLIE HUNNAM AND SIENNA MILLER The story of Colonel Percy Harrison Fawcett the inspiration behind Conan Doyle s The Lost World Fawcett was among the last of a legendary breed of British explorers For years he explored the Amazon and came to believe that its jungle concealed a large complex civilization like El Dorado Obsessed with its discovery he christened it the City of Z In 1925 Fawcett headed

into the wilderness with his son Jack vowing to make history They vanished without a trace For the next eighty years hordes of explorers plunged into the jungle trying to find evidence of Fawcett s party or Z Some died from disease and starvation others simply disappeared In this spellbinding true tale of lethal obsession David Grann retraces the footsteps of Fawcett and his followers as he unravels one of the greatest mysteries of exploration A riveting exciting and thoroughly compelling tale of adventure JOHN GRISHAM A wonderful story of a lost age of heroic exploration Sunday Times Marvellous An engrossing book whose protagonist could out think Indiana Jones Daily Telegraph The best story in the world told perfectly Evening Standard **Travels on the Amazon** Alfred Russel Wallace,1911 Travels on the Amazon and Rio Negro Alfred Russel Wallace,1889 Travels on the Amazon and Rio Negro, with an Account of the Native Tribes, and Observations on the Climate, Geology and Natural History of the Amazon Walley Wallace,1889
