films of Billy Wilder from *Double Indemnity* to *Some Like It Hot* are American classics created by a brilliant Austrian in love with his newfound country. This is a re-examination of the key American films of Wilder, often challenging previous readings of his filmmaking style and personality, emphasizing the pop-cultural, film-historical, and socio-historical content of well-known films like *Sunset Boulevard* and less frequently remembered ones like *The Fortune Cookie*. The book interprets Wilder as more than the cocky little Viennese or closet Romantic stereotypes often attached to him. Here the student will find provocative analysis and the enthusiast will find evocative commentary on one of the most important figures in American film. Photographs add to the text and a complete filmography and bibliography are also included. Fully indexed. *Dashing to the End* Eric Monder, 2025-05-15

Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907-1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio, television, and the stage while also becoming a film director. Milland's extensive canon across such a period is remarkable, especially considering his lack of formal training, his belated start in show business in his late twenties, and the fact he only lived to age seventy-nine. Perhaps best remembered for his Oscar-winning performance as the tortured alcoholic in Billy Wilder's *The Lost Weekend* (1945) or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* (1954), there is much more to Milland's life and career than the few films that elevated him from star to icon. Despite his prolific and successful career, *Dashing to the End: The Ray Milland Story* is the first comprehensive biography of the star. Milland's personal and professional trajectory epitomize quintessential Hollywood lore: the British army soldier turned actor who went from unknown struggling bit player to Oscar-winning star to aging scandal-haunted has-been to comeback character actor to present-day cult figure. Using interviews with Milland's costars and colleagues as well as research from several major archives, author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well-rounded portrait of this complex man and artist. *The Publishers Weekly*, 1945-03
