

A close-up, high-detail illustration of a steampunk character. The character's face is pale and human-like, but heavily augmented with intricate mechanical parts. Large, circular gears are visible on the forehead and around the eyes. The character has large, expressive orange-brown eyes and a slightly open mouth, revealing a small, dark, mechanical tongue. The background is a dense, out-of-focus arrangement of various sized gears and mechanical components, creating a complex, industrial aesthetic. The lighting is dramatic, highlighting the textures of the character's skin and the metallic surfaces of the machinery.
