The Bible, Social Media and Digital Culture Peter M. Phillips, 2019-06-28 This book centres on the use of the Bible within contemporary digital social media culture and gives an overview of its use online with examples from brand new research from the CODEC Research Centre at Durham University UK It examines the shift from a propositional to a therapeutic approach to faith from a sociological standpoint The book covers two research projects in particular the Twitter Gospels and Online Moralistic Therapeutic Deism It explores the data as they relate to Abby Day s concept of performative belief picking up on Mia L vheim s challenge to see how this concept works out in digital culture and social media It also compares the data to various construals of contemporary approaches to faith performative faith including Christian Smith and Melissa Lundquist Denton s concept of moralistic therapeutic deism Other research is also compared to the findings of

these projects including a micro project on Celebrities and the Bible to give a wider perspective on these issues in both the UK and the USA As a sociological exploration of Digital Millennial culture and its relationship to sacred texts this will be of keen interest to scholars of Biblical studies religion and digital media and contemporary lived religion **Find It in the Bible** Bob Phillips,2010-06-15 How many people know the thirty one things God hates the twenty things missing in heaven or the twenty two prophecies fulfilled by Jesus Merely to mention such lists piques interest because almost everyone finds list irresistible Bob Phillip s book plays to that natural curiosity giving readers the longest and the shortest the most and the least and the greatest and the smallest from the pages of the Bible The lists range widely from theology and characters to wisdom and humor including such subjects as 33 contrasts between Christ and the antichrist 140 major Bible characters 59 titles of Christ 125 counseling helps from the Bible and 5 major ways God reveals Himself Scripture references accompany all lists making the book not merely fascinating entertainment but a valuable reference tool for Bible students pastors and teachers **Monthly Reference Lists** Providence Public Library (R.I.),1881 *Bible Baby Names* Anita Diamant,2012-10-11 A complete one of a kind resource for parents to be searching for a perfect name for their child Nearly 1 000 boys and girls names both traditional and creative from the Hebrew Bible and the Christian Bible each with a Translation from the original language Citation of where the name appears in the Bible Description of its meaning Bible Baby Names gives and overview of the trends in baby names and explains why the Bible has been a rich source of names through the ages while it helps you make modern choices from ancient text For all who want their child s name to be special spiritual and full of meaning Bible Baby Names offers a treasure trove of choices **The Bible Bucket List** Paul Kacsur,2019-05-30 People get excited discussing bucket lists It s fun to plan out of the ordinary events or travels Obviously a bucket list contains special things we d like to accomplish before we are gone Hence the term bucket list because we want to do this or that before we kick the bucket That s okay but how often do we think about something we d like to do to please the Lord before we re gone Maybe this thing is a Christian discipline or something we ve read about in the Bible that one of our favorite characters did Wherever this desire or idea comes from we know our time is limited If we are going to do something outstanding and memorable before we are gone wouldn t it be fitting to dedicate some of these actions to the Lord This book contains suggestions or ideas of things that will be of interest to Christians Some are relatively easy Others will require more energy and even intense prayer on our part Some of the things mentioned should have been done long ago One thing is certain whatever we do to please the Lord will affect us and have more impact on others than things we do just for ourselves This is because people usually don t think along these lines As we observe the world around us with all sorts of ideas of what makes life worthwhile Christians should lead the way by our actions Only things done for the kingdom of God have any lasting impact after we are gone from this short life We can say anything about any subject but what we do and for what reason are what matters Let these ideas be used for meditation and contemplation especially as we consider how little time we have left

Christians should have a bucket list and you will get good ideas here This may be just the thing to motivate you to do something more for the glory of God and your relationship with Him It is our prayer that this book does just that Start planning your Bible bucket list now You will shock your friends Good things like these the sort of things we do unto the Lord and for His glory won't just happen We must make them happen It's getting later than you think To God be all the glory

By Way of Reminder Cloyce Sutton, II, Cloyce Suttone, 2nd, 2020-09-10 The purpose of knowledge for Christians is to strengthen us against temptation and to build character 2 Peter 1:2-11 That's why we must spend time in Bible study and why we must be able to recall what we've studied This book is a listing of information that can help you in your Bible studies It's a what to know book not a how to do it book It contains various lists related to or taken from the Bible Much of this you may have learned long ago in church or family Bible classes or studies If that's the case this may serve as a refresher course If you never learned the information or you've forgotten it this may serve as a springboard for further learning The first half of this booklet contains lists of the most important things people places and events in the Bible These can help you mentally organize the vast amount of information in the Bible Some of the lists are elementary and simple Some are more advanced and complicated Start with the easy lists and add the more challenging ones as you go The second half of the booklet includes a number of suggested Bible verses to memorize The best way to fight temptation and sin is to memorize Scripture Psalm 119:11 First memorize verses that will help you personally in your spiritual life Second memorize verses that you can share with others Finally memorize verses on a broader range of Bible topics **Bible Society record**, 1883
