report summarizes a number of general issues brought to the attention of the Committee. The next part of the report of particular relevance to manufacturers and national regulatory authorities outlines the discussions held on the development and adoption of new and revised WHO Recommendations, Guidelines and guidance documents. Following these discussions, WHO Guidelines on the quality, safety and efficacy of Ebola vaccines and WHO Guidelines on procedures and data requirements for changes to approved biotechnological products were adopted on the recommendation of the Committee. In addition, the following two WHO guidance documents on the WHO prequalification of in vitro diagnostic medical devices were also adopted: a Technical Specifications Series (TSS) for WHO Prequalification Diagnostic Assessment Human immunodeficiency virus (HIV) rapid diagnostic tests for professional use and/or self-testing and b Technical Guidance Series (TGS) for WHO Prequalification Diagnostic Assessment Establishing stability of in vitro diagnostic medical devices. Subsequent sections of the report provide information on the current status, proposed development and establishment of international reference materials in the areas of antibiotics, biotechnological products other than blood products, blood products and related substances, in vitro diagnostics and vaccines and related substances. A series of annexes are then presented which include an updated list of all WHO Recommendations, Guidelines and other documents on biological substances used in medicine. Annex 1: The above four WHO documents adopted on the advice of the Committee are then published as part of this report. Annexes 2-5: Finally, all additions and discontinuations made during the 2017 meeting to the list of International Standards Reference Reagents and Reference Panels for biological substances maintained by WHO are summarized in Annex 6. The updated full catalogue of WHO International Reference Preparations is available at <http://www.who.int/bloodproducts/catalogue/en>. You Are Awesome! Sebastian King, 2016-08-05. In his early twenties, author Sebastian King was involved in a life-changing car accident. In the beginning, his parents were told to prepare for his death. King survived but suffered from post-traumatic stress disorder. It created a new focus for him. In You Are Awesome, he shares the lessons he learned in the aftermath of his near-death experience. King teaches eight straightforward practices you can apply to gain the life you deserve. He addresses a variety of issues and challenges you may face on a regular basis, including needing to change your habits, getting annoyed very easily, finding relationships difficult, needing more love in your life, finding it hard to enjoy yourself, making the time for celebration and wanting to be more appreciated. You Are Awesome offers a host of insights into how to lead an extraordinary life that is filled with love and awesomeness. **May-Britt My Life's Journey** May-Britt Pedersen, Lavonne Quin, 2013-05-01. This is the story of a young girl growing up in rural Sweden with dreams of the Promised Land, America. May Britt grew up on a farm in the most primitive part of Småland, Sweden. As she shares her memories, we learn what life was like on the farm that was located so deep in the forest it was called The End of the World. Growing up, I never dreamed I would one day be living in the Rocky Mountains of Colorado, she says, laughing. But dream she did, and those dreams took her on a long journey filled with laughter and joy, hardship and sorrow, adventure and excitement. This is the story of a young girl

who refused to give up on her dreams despite the many obstacles rising up in her path It is a story of determination and hard work of love and laughter and of God s grace and provision
