

The background of the image is a vibrant sky. A large, billowing cloud formation, possibly a cumulonimbus cloud, is the central focus. It is illuminated from within or below, giving it a bright orange and yellow glow. The top of the cloud is more defined and appears to have a darker, more textured surface. The sky above the cloud is a deep, clear blue, while the sky below and to the sides is a lighter, hazy blue. The overall composition is dramatic and evocative.
