# Love Tides Golden Isles Lore

**Peter Browning**

## Love Tides Golden Isles Lore:

**Love Tides and Golden Isles Lore** Terry Herbert, 2002-11-01      Tracking the Golden Isles Anthony J.

Martin, 2020-05-15 With this collection of essays Anthony J Martin invites us to investigate animal and human traces on the Georgia coast and the remarkable stories these traces both modern and fossil tell us Readers will learn how these traces enabled geologists to discover that the remains of ancient barrier islands still exist on the lower coastal plain of Georgia showing the recession of oceans millions of years ago First Martin details a solid but approachable overview of Georgia barrier island ecosystems maritime forests salt marshes dunes beaches and how these ecosystems are as much a product of plant and animal behavior as they are of geology Martin then describes animal tracks burrows nests and other traces and what they tell us about their makers He also explains how trace fossils can document the behaviors of animals from millions of years ago including those no longer extant Next Martin discusses the relatively scant history scarcely five thousand years of humans on the Georgia coast He takes us from the Native American shell rings on Sapelo Island to the cobbled streets of Savannah paved with the ballast stones of slave ships He also describes the human introduction of invasive animals to the coast and their effects on native species Finally Martin s epilogue introduces the sobering idea that climate change with its resultant extreme weather and rising sea levels is the ultimate human trace affecting the Georgia coast Here he asks how the traces of the past and present help us to better predict and deal with our uncertain future      Elevator Music Joseph Lanza, 2004-01-26 DIVNoted music historian Joseph Lanza seriously appraises an American musical tradition div
