Pursuit of Passion Douglas C. Myers, PhD, Expanded Edition. The medley of 44 lyric poems is dedicated to all who cherish sensitive emotions elicited through poetic expression. They were written for the searching, romantic, culturally curious, and outdoor devotee. Formed with rhythm's pattern in verse, all promote an increased understanding of love's contribution to relationships of various types. Persons desiring greater self-awareness will gain insight and emotional encouragement from the readings. The lyric-styled poems were spawned by inspiration's accomplishment. Every verse in rhyme was conceived of understanding coupled with the rhythmic pulse of feeling. Each poem displays qualities that include profound and stimulating without being provocative. All are sympathetic to the notion that what is personally felt while reading the narratives in cadence matters more than the discovery of intended purpose or meaning given by the author. Challenges in seeking love's desirable best are disclosed in personal account snippets including revelations regarding Character, Family, Lifestyle, Love, and Nature. All were crafted with a sensitive pen in the pursuit of emotionally insightful discovery. Many are based on real occurrences of the author-poet. When applicable, venues include Alaska, California, Washington, and Mexico, but universally applied. Inspiration for each poem is credited individually following its ending. Graphics are included of the author's personal drawings and sketches. Each one serves as an auxiliary illustration at the conclusion of every thematic grouping of lyric poems.

Screen Reader Supported with Enhanced Typesetting _____ Recommendation: Your poetry is deeply touching to me. I especially honed in on your thoughts in *To Be Or Not*, *Timeless Treasure*, and *Awakening*. Judy Wilde, M.A., Clinical Psychology. I am so impressed with your poetry book. I can't pick out which is my favorite poem. I read it again, putting more emphasis on the cadence of the words, which was like a dance. Each time I read it, it meant more. You have an extraordinary way of writing that gives the reader wonderful visual imagery. Kay in Arizona.
