breed of photographer who didn't ask for permission to take their photos and followed George Paul John and Ringo wherever they went. The book begins with an overview starting with Brian Epstein's birth in 1934 to The Beatles signing with him in 1961 in between covering their time in Liverpool their start as the Quarrymen their gigs in Hamburg and the dawn of what would become their iconic hairstyles. Each ensuing chapter contains unique timelines that highlight notable daily activities each year from concert dates to personal matters. Paul marries Linda March 12 1969 to epic events that solidify the group's fame forever. Apple Records launches August 11 1968. The book finishes with a chapter on the band's breakup and their lives post Beatles. Included are 15 removable reproductions of collectible memorabilia including Concert posters and flyers for the group's performances including at the Odeon with Roy Orbison in 1963 and their record breaking Shea Stadium appearance 1965. 1963 program cover for a Royal performance in the presence of the Queen Mother at the Prince of Wales Theatre. 1963 signed souvenir card from their Scottish tour of Glasgow Kirkcaldy and Dundee. Cartoon and caricature cards. Mirrormix has a sensational collection of material that was taken to feed an insatiable desire to see the band their families hangers on and what they all did. Record launches publicity events holidays flights in and out of the country TV broadcasts film work births deaths and marriages every event was photographed. With this sort of coverage unsurprisingly much material was not published and it is this treasure trove that is showcased in this rare and exciting collection. Collectors of all stripes will cherish the removable reproductions of memorabilia.

Emile & Confessions Jean-Jacques Rousseau, 2018-05-01 This carefully crafted ebook Emile Confessions is formatted for your eReader with a functional and detailed table of contents. Emile or On Education or Emile or Treatise on Education is a treatise on the nature of education and on the nature of man. Jean Jacques Rousseau considered it to be the best and most important of all his writings. During the French Revolution Emile served as the inspiration for what became a new national system of education. Rousseau seeks to describe a system of education that would enable the natural man he identifies in The Social Contract 1762 to survive corrupt society. Emile is scarcely a detailed parenting guide but it does contain some specific advice on raising children. It is regarded by some as the first philosophy of education in Western culture to have a serious claim to completeness as well as being one of the first Bildungsroman novels. Confessions is an autobiographical book which covers the first fifty-three years of Rousseau's life up to 1765. It was completed in 1769 but not published until 1782 four years after Rousseau's death even though Rousseau did read excerpts of his manuscript publicly at various salons and other meeting places. He wrote of his own life mainly in terms of his worldly experiences and personal feelings.
