Lewisohn, 2010-06-02 I B Tauris in association with the Iran Heritage Foundation      **Love in Many Masks: as altered by J. P. Kemble, from Mrs. Behn's Rover ... The second edition** Aphra Behn, 1790      **Love in Contemporary British Drama** Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama *Love in Contemporary British Drama* reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned      **Partners in Covenant** Barbara A.

Love in Escapism Shradha Thakur, Finding love s a journey And do you think any journey could be smooth and without perils We all know the answer to that but these lessons are learnt the hard way without shortcuts going through the tedious process exclusively yourself and giving your best at it Love s an art therefore it takes time to perfect it It could teach you patience or it can entirely strip you of any moment of peace but it s nonetheless a process that begins and ultimately has an end to it Maybe we live in a world where we are starving ourselves of this feeling Of course the meaning and outlook on love has changed within the past few years but the emotions are the same When you feel loved you feel joy it s as simple as that and love hurts sometimes but it shouldn t break you When you feel broken it s the deprivation of love and you need to accept it Life s definitely worth living if the reservoir in you that craves love is constantly replenished otherwise there s always a void But living life has various different forms to it with different meanings Everyone has unique experiences and a personal reaction to it but sometimes you come across people who s journey just evokes a sense of familiarity and you start seeing yourself as a part of their lives when you still are just strangers to each other This could be an uncanny feeling but that s just how fate plays you and as much as we want to control ourselves we ultimately have to come to the acceptance that emotions are free spirited      **Studies in John's Epistles** George Findlay,2024-06-23 Foreword by Cyril J Barber Findlay describes in practical terms how Christians can enter into and remain in the blessings of rest and fellowship      *Dogmatic Ecclesiology : Volume 1* Tom Greggs,2019-11-05 Ecclesiology is a key issue for the present age of church history This groundbreaking work by one of today s leading theologians offers a major Protestant ecclesiology for the church catholic This volume the first of
