Love Without Ending:

Love Without End Melvyn Bragg, 2019-03-07 Melvyn Bragg's account of the passionate and painful love affair between the 12th century radical theologian Peter Abelard and the brilliant young convent educated Eloise springs magnificently to life Thrilling Piers Plowright Tablet Within the Cloisters of Notre Dame a charismatic philosopher and a young woman renowned for her scholarship embark on an ardent secret affair It will send shockwaves through Paris incur savage retribution and lead to years of separation though nothing will break the bond between them Bringing the true story of Heloise and Abelard to vivid life this engrossing novel conveys the powerful emotions and beliefs that drove them It captures a couple who defied the conventions and religious orthodoxies of their times with striking audacity and illuminates why their extraordinary tale still resonates today *Love Without End* Robin Lee Hatcher, 2014-11-25 For two single parents with bruised hearts it'll take more than a little courage to get back on the horse when it comes to love Kimberly Welch lost her husband to a heart attack in the blink of an eye But she's losing her daughter slowly in the day to day tension In three difficult years Kimberly has gone from Seattle socialite to Kings Meadow charity case and her daughter is not responding well to the changes She's becoming a sullen cantankerous teen Chet Leonard lost his teenage son in a car accident Then his wife abandoned him and their two remaining boys He tries to keep his mind on the family ranch but if the last two years have taught him anything it's that sometimes you just have to let the memories hurt Let the memories hurt and leave well enough alone But when Chet volunteers to help tame Kimberly's daughter's horse everyone gets more than they bargained for especially when eighty four year old Anna McKenna shows up Nana Anna has reappeared in Kings Meadow after decades away bringing with her the magnetism and transformative joy that come from a life well lived just the kind of magic that a couple of unlucky in love single parents need to conjure up a little courage and raise a new family from the ashes of tragedy Hatcher crafts a lovely installment of the Kings Meadow Romance and readers will want more of the Idaho ranchers It takes us into the healing power of horses and God's ability to create community where it is most needed Romantic Times 4 1 2 star review ***Story Without End*** Marcus Tempus, 2013-08-30 Marcus recently left a senior executive position and is adjusting to his new life as what a friend has labeled him a Renaissance man During this period of adjustment from profit and process driven almost manic activity to a more leisurely pace he is researching many interests to keep his brain active in order to maintain his sanity Among other things he is traveling extensively with his camera finding and enjoying many different experiences He is based in downtown Chicago and from there stays busy by working for some local charities and remains in touch with the world of business through the almost compulsory consultancy work expected from retired executives This aspect of his life is as near as he ever is likely to get to the state of normal His friends keep reminding him about the need to become grounded a condition he never wants to be in full time He finds travel and writing pleasurable ways to pass the time but do they feed the inner man As a financially independent and self labeled man of the world he thinks not He has therefore

set out on a quest to see if true love exists and if there is a soul mate out there just for him He has been close to true love a few times but so far he has not experienced the really deep emotional connection with another person that he believes exists He has yet to see it or find it which is why he has set out on a mission to see if he can find real deep true love To record his adventures and emotions he decided to write three books to help him find what he is looking for The first book 21 Days to Love has been published It explains the beginning of his mission which started with an intense and powerful love affair with Tina That relationship ended and shortly afterward he met Anastasia They went on a twenty one day journey and fell in love with each other a little or maybe a lot This second book details his confusion at deciding who he is and where he is going as reflected in the title Story Without End The third book will be written in 2014 to document the outcome of this journey and if he did indeed find the love he is seeking The travel aspects of the first two books are largely actual and factual 21 Days to Love includes visits to Paris Ireland London Marrakech New Orleans Santorini and Malaysia Story Without End contains travel to Madeira the Canary Islands Spain Key West Grand Cayman New Orleans Wales Rome Rio de Janeiro and the Brazilian Amazon Some of the characters in the books are real but most are not They have been created in the imagination of Marcus Along with the love relationships and passionate encounters they are part of his delusional quest for a soul mate

Without End William S. Allen, 2017-12-28 The reputation of the Marquis de Sade is well founded The experience of reading his works is demanding to an extreme Violence and sexuality appear on almost every page and these descriptions are interspersed with extended discourses on materialism atheism and crime In this bold and rigorous study William S Allen sets out the context and implications of Sade s writings in order to explain their lasting challenge to thought For what is apparent from a close examination of his works is the breadth of his readings in contemporary science and philosophy and so the question that has to be addressed is why Sade pursued these interests by way of erotica of the most violent kind Allen shows that Sade s interests lead to a form of writing that seeks to bring about a new mode of experience that is engaged in exploring the limits of sensibility through their material actualization In common with other Enlightenment thinkers Sade is concerned with the place of reason in the world a place that becomes utterly transformed by a materialism of endless excess This concern underlies his interest in crime and sexuality and thereby puts him in the closest proximity to thinkers like Kant and Diderot but also at the furthest extreme in that it indicates how far the nature and status of reason is perverted It is precisely this materialist critique of reason that is developed and demonstrated in his works and which their reading makes persistently excessively apparent
