Southwell,2014-10-26 Is love the place where psychological observation and spiritual wisdom about healing meet If love is associated with healing of all sorts how do I more consciously set about to grow in love seeking healing for myself and for my neighbours community and world How do I encourage others in their journeys into love Drawing on a broad Christian heritage a deep respect for the insights of other religious and spiritual traditions and two decades of work in welfare and clinical settings psychologist Sharon Southwell encourages spiritual seekers of all backgrounds to consider these questions for themselves Structured in 52 Reflections each followed by Invitations The Life of Love invites you to grow in love by embracing life giving connection to yourself to others your community to art nature and to your ultimate context whether you experience this as God or as some other immanent or transcendent spiritual connection *So You Love an . . . Alcoholic?*

Grace W. Wroldson,2018-05-31 When Grace Wroldson first discovered that she was in love with an alcoholic she sought treatment and help for him As the years passed and the alcoholic continued to choose alcohol over her she instead sought treatment for herself to overcome her own battles of love addiction and codependency When her child was born she was inspired to completely break free from the disease of alcoholism She shifted her focus away from the alcoholic and found a path of recovery for herself Now Grace shares a firsthand account of her journey to living a healthier life full of self love acceptance and truth So You Love an Alcoholic compiles the hard learned lessons and realizations she faced during recovery From lessons on boundaries forgiveness and self love comes a triumphant tale of a woman who learned Grace brings the message of hope for women in a similar situation by sharing her secret lessons This is one womans recovery story of loving and leaving an alcoholic man successfully The lessons found in So You Love an Alcoholic inspire women to take action and seek help for themselves not just their alcoholics These lessons tell a story of bravery dedication hard work and love that validate those who find themselves in a similar situation Graces lessons serve as a reminder to all of us that you cant take care of anyone else until youve taken care of yourself This book will bring healing affirmation relief and wisdom to women who love an alcoholic By sharing her true story she strives to reach out to women who are surviving this predicament so that they can free themselves from the disease and extend that freedom to their children **The Legend of Lovea Duval** Mike
