heart *Dreaming* Herbert Gold,1989-08-05 *The Pickoff* T. Scott Womble,2025-03-13 The Pickoff is a baseball metaphor that exposes how the enemy of God uses a variety of tactics to impede the Christian's progress on the bases In an age of spiritual lethargy when too many Christians are caught napping between first and second base it's imperative that we stand firm against the schemes of the devil so that we may arrive home safely While the pickoff move is becoming a lost art in the world of baseball it remains a primary weapon in the enemy's arsenal After Christians are awarded first base Satan will immediately look to pick them off sending them back to the dugout in shame If he can't do that he'll settle for the stationary Christian who seems content on just standing safely as first base But our Lord will have none of this He exposes the enemy's devices and provides the perfect coaching to help us round the bases in joy This book will change how readers view both baseball and the Christian life Whether a rookie believer or a seasoned veteran readers will find fresh insights for staying spiritually alert
