Lovers And Madmen A True Story Of Passion Politics And Air Piracy

**Wilhelm Heitmeyer, Heinz-Gerhard
Haupt, Stefan Malthaner, Andrea
Kirschner**

Lovers And Madmen A True Story Of Passion Politics And Air Piracy:

Lovers and Madmen Julianne Busic, 2015-12-02 LOVERS AND MADMEN A TRUE STORY OF PASSION POLITICS AND AIR PIRACY is dominated by two central themes politics and love Julianne Busic s memoirs take the reader through the events that shaped her life with Croatian dissident husband Zvonko assassination attempts threats from the Yugoslav secret police flights from country to country enforced poverty and deprivation and characterize the love that led to the greatest sacrifice of all a sentence of life in prison for the political hijacking of a TWA jet Less than twenty years after the Busic s desperate act Yugoslavia broke apart in a spasm of war and Croatia is now an independent state The message contained in the leaflets thrown during the hijacking served as a prophecy of this disintegration and the vicious Serbian aggression first in Croatia and Bosnia and most recently in Albanian populated Kosovo Zvonko and Julianne Busic received mandatory life sentences with parole eligibility recommended by the judge after ten years for Zvonko and eight years for Julianne Julianne served thirteen years in prison and was released on parole in 1989 Zvonko remained in prison until he was released in June 2009 almost thirty two years later from a high security unit in Terre Haute Indiana You can also purchase this book on Amazon http://www.amazon.com/Lovers-Madmen-Passion-Politics-Healthy/dp/1519615027/ref=sr_1_1/sr=1-1 keywords julianne busic The SAGE Encyclopedia of Terrorism, Second Edition Gus Martin, 2011-06-15 Six years after publication of the first edition of the best selling Encyclopedia of Terrorism much has changed on the national security scene Despite the dark promises of Osama bin Laden following the 9 11 attacks the United States has not experienced any major domestic terror incidents Al Qaeda itself is believed to be a severely crippled organization But while U S wars in Afghanistan and Iraq not to mention the arrival of the Obama administration a new balance of power within Congress and an increasingly fragile economic picture have significantly affected the national security picture the threat of economic chaos and massive loss of life due to terror attacks has not abated Indeed in July 2008 analysts pointed out that even a relatively small terrorist organization could present a dire threat with some experts arguing that a biological chemical or even nuclear attack on a major U S city is all but inevitable In this highly charged rapidly shifting environment we are pleased to present the The SAGE Encyclopedia of Terrorism Second Edition a thoroughly updated and expanded edition of the original highly regarded reference work Nearly 100 000 words of new material will be added along with fully updated original entries and expanded coverage New introductory essays will explore the impact of terrorism on economics public health religion and even pop culture Ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over FISA legislation and Guantanamo Bay will also be covered Two dozen entries on significant recent events such as the London bombings Chechen attacks on Russian interests and the rescue of Ingrid Bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers Croatian Radical Separatism and Diaspora Terrorism During the Cold War Mate Nikola Tokić, 2020-04-15 Croatian

Radical Separatism and Diaspora Terrorism During the Cold War examines one of the most active but least remembered groups of terrorists of the Cold War radical anti Yugoslav Croatian separatists Operating in countries as widely dispersed as Sweden Australia Argentina West Germany and the United States Croatian extremists were responsible for scores of bombings numerous attempted and successful assassinations two guerilla incursions into socialist Yugoslavia and two airplane hijackings during the height of the Cold War In Australia alone Croatian separatists carried out no less than sixty five significant acts of violence in one ten year period Diaspora Croats developed one of the most far reaching terrorist networks of the Cold War and in total committed on average one act of terror every five weeks worldwide between 1962 and 1980 Toki focuses on the social and political factors that radicalized certain segments of the Croatian diaspora population during the Cold War and the conditions that led them to embrace terrorism as an acceptable form of political expression At its core this book is concerned with the discourses and practices of radicalization the ways in which both individuals and groups who engage in terrorism construct a particular image of the world to justify their actions Drawing on exhaustive evidence from seventeen archives in ten countries on three continents including diplomatic communiqués political pamphlets and manifestos manuals on bomb making transcripts of police interrogations of terror suspects and personal letters among terrorists Toki tells the comprehensive story of one of the Cold War's most compelling global political movements

Control of Violence Wilhelm Heitmeyer, Heinz-Gerhard Haupt, Stefan Malthaner, Andrea Kirschner, 2010-11-04 The Control of Violence in Modern Society starts from the hypothesis that in modern society we will face an increasing loss of control over certain phenomena of violence This leads to unpredictable escalations and violence can no longer be contained adequately by the relevant control regimes such as police state surveillance institutions national repression apparatuses and international law However before investigating this hypothesis from an internationally and historically comparative perspective the terms and tools for this undertaking have to be rendered more precisely Since both control and violence are all but clear cut terms but rather highly debatable and contested concepts that may take multiple connotations The main question is whether an increase in certain forms of violence can be explained by the failure or in turn overeffectiveness of certain control mechanisms It is asked for instance which contribution religion can make to limit violence and in turn which destructive potential religion might have in its fundamentalist form Moreover the concept of individual self control as well as social institutions and strategies of collective disengagement and de radicalization are investigated with regard to their potential for controlling violence The Control of Violence in Modern Society concludes with a re examination of the hypothesis of a loss of control by specifying in what cases and under which circumstances we can speak of a loss of control over violence

Homeland Calling Paul Hockenros, 2018-07-05 Over the last ten years many commentators have tried to explain the bloody conflicts that tore Yugoslavia apart But in all these attempts to make sense of the wars and ethnic violence one crucial factor has been overlooked the fundamental roles played by exile groups and migr communities in fanning the flames of nationalism

and territorial ambition Based in the United States Canada Europe Australia and South America some groups helped provide the ideologies the leadership the money and in many cases the military hardware that fueled the violent conflicts Atypical were the dissenting voices who drew upon their experiences in western democracies to stem the tide of war In spite of the diasporas power and influence their story has never before been told partly because it is so difficult even dangerous to unravel Paul Hockenos a Berlin based American journalist and political analyst has traveled through several continents and interviewed scores of key figures many of whom had never previously talked about their activities In *Homeland Calling* Hockenos investigates the borderless international networks that diaspora organizations rely on to export political agendas back to their native homelands agendas that at times blatantly undermined the foreign policy objectives of their adopted countries Hockenos tells an extraordinary story with elements of farce as well as tragedy a story of single minded obsession and double dealing of high aspirations and low cunning The figures he profiles include individuals as disparate as a Canadian pizza baker and an Albanian urologist who played instrumental roles in the conflicts as well as other men and women who rose boldly to the occasion when their homelands called out for help

Governing Diasporas in International Relations Francesco Ragazzi, 2017-07-20 This book analyzes how states extend their sovereignty beyond their territories through the language of diasporas An increasing number of states are interested in supporting managing or controlling their populations abroad something they define as their diaspora Yet what does it mean for governments to formulate claims of sovereignty over populations who reside outside the very borders that legitimate them This book argues that diaspora should be understood as a performative discourse that enables transnational political practices that could otherwise not be justified in a normative structure of world politics dominated by the imperatives of territorial sovereignty The empirical analysis focuses on the former Yugoslavia and contemporary Croatia The first part of the book examines the history of the relations between Croats abroad and their homeland from the emergence of the question of emigration as a problem of government in the late nineteenth century until the years preceding the formation of the contemporary Croatian state The second part explores how in the 1990s the merging of bureaucratic categories and state practices into the category of diaspora was instrumental in mobilizing Croats abroad during the 1991-1995 war in reshuffling the balance between Serbs and Croats in the citizenry and in the de facto annexation of parts of neighboring Bosnia Herzegovina in the immediate aftermath of the war This book will be of much interest to students of critical security studies international political sociology diaspora studies border studies and International Relations in general

Migration und Innere Sicherheit Matthias Thaden, 2022-07-18 Lange Zeit waren kroatische Nationalisten unter ihnen Anhänger des faschistischen Ustaša-Regimes eine der aktivsten Exilgruppen in der Bundesrepublik Deutschland Global eng vernetzt und untereinander zum Teil spinnefeind einte sie der Kampf gegen das sozialistische Jugoslawien den manche Akteure auch mit politischer Gewalt austrugen Vor allem jugoslawische Repräsentanten und Infrastrukturen aber auch jugoslawische Arbeitsmigranten wurden immer wieder zum Ziel von Anschlüssen

Wer waren die kroatischen Exilanten Wie wurden ihre Aktivitäten in der Bundesrepublik diskutiert Und welche Konsequenzen hatte dies für ihre Beobachtung und Verfolgung durch die Sicherheitsbehörden Fragen wie diesen geht Matthias Thaden in seinem Buch nach Er kann aufzeigen wie das von Exilkroaten und von den Geheimdiensten ausgehende Gefahrenpotenzial zum Kompetenzausbau von Polizei und Verfassungsschutz herangezogen wurde Die Verbindung von migrations und sicherheitspolitischen Fragestellungen hat daher eine weitaus längere Geschichte als häufig angenommen Das Buch stellt deswegen auch eine Intervention in aktuelle Debatten dar und ist ein Plädoyer für mehr historische Tiefenschärfe

Bibliography of Sources on the Region of Former Yugoslavia Rusko Matulić, 1998 In this second volume Rusko Matulic continues to formulate a comprehensive bibliography of primarily published sources relating to the history languages literature politics government religion and social sciences of former Yugoslavia including bibliographical materials on expatriates

Lovers And Madmen A True Story Of Passion Politics And Air Piracy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lovers And Madmen A True Story Of Passion Politics And Air Piracy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lovers And Madmen A True Story Of Passion Politics And Air Piracy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lovers And Madmen A True Story Of Passion Politics And Air Piracy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
