Lovers & Cohorts Herbert Gold,1995 **Short Story Index** ,1989 **The Love Jones Cohort** Kris Marsh,2023-02-09
Drawing from stratification economics intersectionality and respectability politics The Love Jones Cohort centers on the voices and lifestyles of members of the Black middle class who are single and living alone SALA While much has been written about both the Black middle class and the rise of singlehood this book represents a first foray into bridging these two concepts In studying these intersections The Love Jones Cohort provides a more nuanced understanding of how race gender and class coupled with social structures shape five central lifestyle factors of Black middle class adults who are SALA The book explores how these Black adults define family and friends and decide on whether and how to pursue romantic relationships articulate the ebbs and flows of being Black and middle class select where to live and why accumulate and disseminate wealth and maintain overall health well being and coping mechanisms For the Love of Teaching Alice Ginsberg,Marybeth Gasman,Andrés Castro Samayoa,2023 For the Love of Teaching features case studies of Minority Serving Institutions that are intentionally preparing culturally proficient teachers who are skilled and experienced with diverse groups of students It offers valuable lessons and innovative approaches from four colleges with programs that attract and serve non White teacher candidates **Love Troubles** Wanning Sun,2023-05-18 Four decades of economic reform have made China one of the most unequal countries in the world but the impact of this inequality is not just socioeconomic Love Troubles is the first book to examine the emotional cost of this inequality to the intimate and emotional lives of China s people Drawing on first hand ethnographic research among rural migrant factory workers in the Pearl River Delta in southern China Wanning Sun critically analyzes narratives about love romance and intimacy in contemporary Chinese public discourses Examining the impact of economic and cultural inequality on private life this book both embodies and facilitates an intimate turn in the study of China s social change and presents a significant intellectual intervention into worldwide debates on inequality **Preemptive Love** Jeremy Courtney,2014-09-02 The founder of the Preemptive Love Coalition an organization based in Iraq that provides heart surgeries to Iraqi children and trains local doctors and nurses presents an account of lifesaving and peacemaking in this war torn country **Love-life in Nature** Wilhelm Bölsche,1926
Contemporary Literary Criticism ,1973 **Modern Sentimentalism** Lisa Mendelman,2019-12-17 Modern Sentimentalism examines how American female novelists reinvented sentimentalism in the modernist period Just as the birth of the modern woman has long been imagined as the death of sentimental feeling modernist literary innovation has been understood to reject sentimental aesthetics Modern Sentimentalism reframes these perceptions of cultural evolution Taking up icons such as the New Woman the flapper the free lover the New Negro woman and the divorcee this book argues that these figures embody aspects of a traditional sentimentality while also recognizing sentiment as incompatible with ideals of modern selfhood These double binds equally beleaguer the protagonists and shape the styles of writers like Willa Cather

Edith Wharton Anita Loos and Jessie Fauset Modern sentimentalism thus translates nineteenth century conventions of sincerity and emotional fulfillment into the skeptical self conscious modes of interwar cultural production Reading canonical and under examined novels in concert with legal briefs scientific treatises and other transatlantic period discourse and combining traditional and quantitative methods of archival research Modern Sentimentalism demonstrates that feminine feeling far from being peripheral to twentieth century modernism animates its central principles and preoccupations
