swung open with a prolonged creak that echoed through what appeared to be a grand foyer **The Soul Enchanted**

Inner Goddess is about understanding and acknowledging that her divinity exists Your Inner Goddess is the purest form of
you She is everything love and never concerns herself with trivial things She s been around for a LONG time and knows the
ways of the Universe She also knows why you re here She is your Divine spark We often make the mistake of thinking our
history begins with our birth in this life and that our memories extend only from the moment of our birth Our physical body is
just the tip of the iceberg when it comes to who we are and what makes us us We have memories and knowledge from our
life before this one Your Inner Goddess is your soul your true essence who always wants the best for you She s the part of you
who truly remembers who you were before you came to this world She s free and wild and really doesn t care about other
people s opinions She s the part of you who s at peace with what you ve been through and where you re headed It s You who
set the course of your life and the things you want to accomplish and learn before you even came to this earth It s You
whispering guidance to yourself about your highest path and purpose Your Inner Goddess invariably involves how you can
best serve others while being true to yourself This part of You helps you to keep on track with your life s purpose and in
touch with your passions and joy Your Inner Goddess has brought with her your feminine energy She s that part of your soul
who is fully connected with the Divine Feminine Your Inner Goddess manifests as your higher self your soul your spirit your
intuition the essence of who you truly are You might frequently hear the phrase finding yourself but finding yourself is really
returning to yourself and to your Inner Goddess Tapping into this divine feminine energy allows you to live life guided by
your true essence and be in perfect flow with the magic of the universe Every woman has an Inner Goddess whether you
realize it or not Connecting with your Inner Goddess will automatically make you feel happier radiant healthier and sexier
Your higher vibration will make you naturally glow from the inside out You don t need to contact your Higher Self as an entity
outside of yourself she is You Wisdom and memories are inside of you if you will access them Pay attention to your desires
and passions Your truest heartfelt desires are feedback from your Inner Goddess about what you want to do now Living from
your Inner Goddess means not sacrificing or ignoring those desires it also means listening to those desires on a daily basis
You know you are stepping into your Goddess self and awakening your true eternal nature when you become more concerned
about you inner journey than your outward one
