## **Loves Next Door:**

**Love's Next Meeting** Aaron Lecklider, 2023-05-02 How queerness and radical politics intersected earlier than you thought Well before Stonewall a broad cross section of sexual dissidents took advantage of their space on the margins of American society to throw themselves into leftist campaigns Sensitive already to sexual marginalization they also saw how class inequality was exacerbated by the Great Depression witnessing the terrible bread lines and bread riots of the era They participated in radical labor organizing sympathized like many with the early prewar Soviet Union contributed to the Republicans in the Spanish Civil War opposed US police and state harassment fought racial discrimination and aligned themselves with the dispossessed Whether they were themselves straight gay or otherwise queer they brought sexual dissidence and radicalism into conversation at the height of the Left's influence on American culture Combining rich archival research with inventive analysis of art and literature Love's Next Meeting explores the relationship between homosexuality and the Left in American culture between 1920 and 1960 Aaron S Lecklider uncovers a lively cast of individuals and dynamic expressive works revealing remarkably progressive engagement with homosexuality among radicals workers and the poor Leftists connected sexual dissidence with radical gender politics antiracism and challenges to censorship and obscenity laws through the 1920s and 1930s In the process a wide array of activists organizers artists and writers laid the foundation for a radical movement through which homosexual lives and experiences were given shape and new political identities were forged Love's Next Meeting cuts to the heart of some of the biggest questions in American history questions about socialism about sexuality about the supposed clash still making headlines today between leftist politics and identity politics What emerges is a dramatic sexually vibrant story of the shared struggles for liberation across the twentieth century *Lasso Her Heart & Mistletoe Reunion* Anna Schmidt, 2013-12-01 Two heartwarming holiday novels by Anna Schmidt in one keepsake collection LASSO HER HEART A painful past has Bethany Taft believing she'll never be a bride But when her beloved sixty year old aunt gets engaged Bethany finds joy in being her wedding planner And as she gets to know the groom's son charming rancher Cody Dillard she wonders if wedding bells will soon be in her future too MISTLETOE REUNION His former wife is on his flight home for the holidays Divorced dad Tom Wallace knows their young daughter is behind this coincidence and that Norah Wallace still makes his heart skip a beat Stranded in the airport during a snowstorm Tom and Norah may get a second chance at forever Schmidt's characters are witty charming mysterious and worth getting to know RT Book Reviews
