## Loves Silent Gift:

**Love's Silent Song** June Masters Bacher, 2011-12-15 When Chris Beth said yes to a struggling country minister's proposal life seemed almost too good to be true Could it last The settlers in their little Oregon community could scarcely afford a resident preacher's salary and Chris Beth's teaching contract would soon end Another separation More adjustments Threatening and captivating adventures reveal the heartaches and joys of real pioneer life wagon caravans of starving people rumbling through frontier territory Fear of Indian uprisings drought plagues of grasshoppers and the faith and commitment of people shouldering heavy burdens in a common bond of love Ever present and strengthening their arms to hold each other up is love's silent song Love Gifts Tanure Ojaide, 2013 Love Gifts is a love sequence the poetic rendering of the relationship between the minstrel and his muse over a long period The poet uses the relationship of the two personages to investigate the human condition hence the poems deal with dreams desires frustrations hopes contentment and seeking meaning in life The poetic canvas links the two figures to other relationships and happenings of their time in an all embracing manner In a way minstrel and muse lovers are in these songs sharing a unique relationship with readers as they affirm their humanity and tell the complicated passage they navigate hourly and daily as members of a particular society The relationship develops from the inexperience of neophytes unsteady in their ways to the stage of adepts who are sure of themselves and their rites The poems are thus a sort of courtship sequence *Reposition Yourself* T.D. *Songs of Sadness* Lalitha Iyer,2020-12-25 The book explores the depths of human sorrow in its various shades and layers from a lonely woman s perspective Failure in relationships human betrayal death of loved ones suffering from injustice and bitter loneliness of old age etc are beautifully depicted through haunting imagery in these poems For the poet

boundless joy is the default nature of human beings Sadness is just a manifestation of one's forgetfulness of one's true eternal divine nature Human beings forget their inner divinity due to attachment to the temporary external world However physical and mental suffering prepares the human heart for ultimate God communion Underneath the terrible frustration of mundane human existence there is an intense yearning for God realisation Suffering ceases when the object of frustration is shifted from worldly failures to the pangs of separation from God These poems with underlying spiritual messages provide a penetrating new interpretation of the universal truths contained in scriptures of all world religions e.g Veda Bible Gita and Quran This book has been edited by the Indian poet and translator Dr Tapan Kumar Pradhan who has also written its foreword and introduction The book makes a startling revelation regarding Lalitha Iyer's true identity and her relationship with the German poet Antony Theodore and Kashmir poet Hemangi Sharma Dr Tapan hints at a definite past life relationship with Lalitha Iyer as Lolita

**Protestant Evangelical Literary Culture and Contemporary Society** Jan Blodgett, 1997-06-11 While studies have been done on the politics personalities and television empires of Protestant evangelicals little has been said about the power of evangelical publishing and the recent upsurge in evangelical fiction In the last 20 years evangelical publishing has grown into a multimillion dollar business and evangelical fiction offers valuable information about the Protestant evangelical experience This book argues that the authors and publishers of evangelical fiction are purposeful gatekeepers who create specific images of an evangelical universe Characters and plots of evangelical literature not only embody a religious perspective but also advocate appropriate behaviors and solutions to problems This study brings together research in the history of Protestant evangelicalism the sociology of religion and literary studies to explore how evangelical novels can serve as cultural artifacts of the evangelical community in contemporary American society The volume consists of two distinct but interrelated parts The first part of the book overviews the history of evangelical religion and the publishing of fiction The chapters in this section trace the ways in which religious publishing has influenced the publishing industry in general and the importance of publishing to evangelicalism The second part is based on the review and analysis of 60 inspirational novels published between 1972 and 1994 by 13 evangelical publishers Two chapters examine the development of specific genre and plot adaptations To identify the range of attitudes and images expressed in this fiction each of the 60 novels is examined for its handling of theology practical religion and social issues Appendices list the novels within particular genres and trace the chronological development of evangelical publishing and a bibliography concludes the volume
