Loves Choice:

The Choice Effect Amalia McGibbon, Lara Vogel, Claire A. Williams, 2010-05-25 Love choices but hate choosing Welcome to the club The Choice Effect is for young women who have all the opportunities in the world and no idea how to decide among them It s one thing to have lots of options when it comes to fulfilling careers or traveling the world but what does it mean for our love lives How can you know whether you re with the right person or if the time is right when you haven t vetted the other possibilities With hard won insight plus interviews with a whole host of other women who are living it the twentysomething friends and authors of The Choice Effect explain why their generation is sidestepping traditional timelines They look at the question of choice in the twenty first century as they give voice to their generation s dilemma How do you choose when you ve been taught you can have it all Love's Grateful Striving M. Jamie Ferreira, 2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation **Christians Today—Questions—Choices We Make !** Charles Phillips, 2019-05-31 The one purpose of this book is that you can understand the relationship our Creator God wants with His children that He has created on this earth As you have read and discover how far we all have departed from what our Creator made at creation week we all need to renew our relationship with our Creator God My friend whoever you are and wherever you are and no matter how far you have gone away from God this call is for you Accept Christ s atoning sacrifice for your sins there on Calvary s cross where the old account was settled years ago You cannot purchase His Gift only except His Gift of Love Soon and very soon The Son of Man shall come in the glory of His Father with His angels and then He shall reward every man according to his works Matt 16 27 Do you want to be one of those that will hear His voice calling those who Loves Christ Make your decision today Love's Touch of Justice Yvonne Kohano, 2014-11-25 She was the one person who could convince him without pleading her case that he d been dead wrong Justice wasn t a sharp sword but a dull blade and sometimes it did more damage than good as it sliced through to the truth Sheriff s Deputy Jake Kermarrec has a strict interpretation of right and wrong and if you end up in jail justice obviously prevailed Being a cop is what he knows and the only thing he aspires to When he s a hero and his career is at risk he turns to Marlee Cruz for relief Their physical attraction becomes harder to ignore with each session of massage despite the rules and secrets between them The closer they become though the more difficult it is for either of them to turn away Marlee s past slowly unravels and Jake finds himself questioning his rigid beliefs even as his friends and family begin to question his judgment As shocking news multiplies he

finds himself making bigger excuses on her behalf When it counts will he put his commitment to protect and serve on the line for Marlee The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises **Love's Choice** Love-Whitebird Sharine,1988 **Endless Wait for Now: 100 Love Sonnets** Amanda Hall,2011-01-24 100 original Shakespearean love sonnets written with the aid of Shakespeare s memory and Saint Cecilia s inspiration **By Knowledge & by Love** Michael S. Sherwin,2005 What is the relationship between charity and knowledge in the theology of Thomas Aquinas Did Aquinas in his mature thought portray charity s act as antecedent to and independent of practical reasoning Did he view charity s motion as rendering us morally good before God apart from whether or not we do what is right in our actions A dominant stream in contemporary Catholic ethics holds for precisely such a concept of charity and many recent commentators on Aquinas maintain that this is his position as well According to Michael S Sherwin however the contrary is in fact the case By Knowledge and By Love represents a major contribution to Thomistic moral theology and philosophy by providing a thoughtful examination of Aquinas psychology of action and his theology of charity Through a comprehensive analysis of the relation between intellect and will knowledge and love and charity and the infused intellectual virtues Sherwin concludes that far from divorcing the will from reason Aquinas in his later works integrates reason and will more closely together Saint Augustine says No one can love what he does not know this dynamic in the gift of charity which depends on faith s knowledge and on the knowledge provided by the other infused cognitive virtues and gifts Charity is a virtue and like any virtue its acts require some knowledge of their object Sherwin argues that not only is this a faithful reading of Aquinas it also has profound implications for any conception of moral development The role of a mentoring community the characteristics of friendship with God and the specific actions required by love all play a part in Sherwin s analysis **A + A = F** H. F. Cotton,2009-07-22 I wish someone else had written this book but no one has It may be ironic that I entered the public schools as a teacher and a coach in the same year 1959 that C P Snow wrote The Two Cultures I certainly did not perceive the two roles as being in conflict nor did I see them in that sense for much of the twenty five years I served as high school principal As a coach I won a state championship 1961 Massachusetts High School Ice Hockey Championship and as a principal I was named Administrator of the Year 1971 72 by the National Association of School Counselors During my time in the public schools I did many of the things I will argue in this book should not be done From the author s preface **Why Love Hurts** Eva Illouz,2012-06-05 A new book by the award winning sociologist Eva Illouz on modern love Sets out to explain why love is such a painful experience for many people why we invest so much in the search for love and why it so often disappoints us **Education Reimagined** Ira David Socol,Cheryl Ann (Walchack) Harris,John Michael Thornton II,2019-01-23 Taking risks is how humans learn It is how humans have always learned A person sees a problem takes in the available information and tries a solution It is in that process whether the goal

is understanding a Shakespeare play figuring out an algorithm or writing a theory of history that engaged learners make breakthroughs be those breakthroughs individual group or societal In this book three experienced practitioners describe how to re imagine teaching spaces conventional schools as learning spaces spaces where risk is encouraged celebrated and actually taught in every area of endeavor from how where or if to sit to how to find the right pathway to learning In bringing the stories of a central office Innovation director together with an elementary teacher and administrator and a veteran secondary teacher leader Education Reimagined A Space for Risk demonstrates how fundamental change is possible in any school
