Cruising Toward Love Christi Barth, 2016-11-15 Linnea Larson is willing to do anything to keep her family's Minneapolis dinner theatre from going under Anything that is besides accepting a date from the Hollywood hunk hired to inject a dose of star power into their production of *Guys Dolls* It's a toss up whether his greatest claim to fame is playing a superhero on screen or a super stud off screen Neither fact convinces her he's got what it takes to share her stage Luke Powell has fame fortune and an endless string of women but also a lingering dissatisfaction with his picture perfect life Looking for a change he escapes to his theatrical roots What he finds are wary cast mates a nervous best friend convinced the show will ruin Luke's career and an adorable costar who stubbornly refuses to go out with him Suddenly singing and dancing aren't the only challenges he'll tackle over the summer Despite Luke dragging her into his daily paparazzi nightmare Linnea can't deny her mounting attraction to his irresistible charm And even if she's crazy enough to chance getting involved their fling would have a guaranteed expiration date He's headed back to Hollywood at the end of the run and she's tied to her family's theatre Why risk the inevitable heartbreak Their job is to act like they're in love but will they decide it's worth the leap to fall in love for real
