D. Johnston,2011 A rollicking debut novel set in a Scottish fast food joint Think Nick Hornby for the anti globalization generation **Love and Loss: A Journey through Fear to Peace - Volume Four** Betty Hibod,2025-01-06 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person s life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone s visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions How to Live with Eternal Peace, Divine Love and Everlasting Bliss AiR - Atman in Ravi, What does every human being in this world want We want Happiness and Happiness comes from Peace and Love and this creates Bliss What is Peace Peace is within Peace we don t have to find We just have to still our mind What is True Love True Love is Bliss not just a kiss When we discover the Secret of Life we will also discover Peace Love and Bliss and live a life of Eternal Happiness This book will reveal the Secret

The Overcoming of History in War and Peace Jeff Love,2004 The Overcoming of History in War and Peace marks a radical departure from the critical tradition dominated by Sir Isaiah Berlin s view that the novel is deeply divided against itself a majestically flawed contest of brilliant art and clumsy thought To the contrary Jeff Love argues that the apparently divided nature of the text its multi leveled negotiation between different kinds of representation expresses the rich variety of the novel s very deliberate striving to capture the fluidity of change and becoming in the fixed forms of language The inevitable failure of this striving revealing the irreducible conflict between infinite desire and finite capacity is at once the source of new beginnings and the repetition of old ones a wellspring of continually renewed promises to achieve a synoptic vision of the whole that the novel cannot fulfill This repetitive struggle between essentially comic and tragic conceptions of human action far from being a pervasive flaw in the texture of the novel in fact constitutes its dynamic center and principal trope as well as the productive origin of the unusual features that distinguish it as an uncommonly bold narrative experiment
