*Love of a Child Sorrow of a Woman* Anne Musoke,2014-01-13 In this particular book Annes writing leans largely towards explorative ideas and experiences of love Anne is someone who believes deeply in love and often says to friends family and colleagues that when a person finds love and is able to give and share it freely as well as receive it wholly while protecting it and treating it with honour and respect it is then that one has truly found their purpose in life This is because love is the driving force behind all we do as humanity Anne was fortunate enough to find a true love in her life at a young age and unfortunately that true love also at some point turned into true pain through various incidents within the relationship Anne was left alone to wonder about the high price that one may pay for love Over a period of years Anne began to write and keep her feelings and musings and these all culminate into the collection of poetry in *Love of a child Sorrow of a woman* After years of working in the mainstream employment field Anne has now taken residence in a quiet peaceful town where she spends her time reading and writing and sharing her life with others in the form of her poetry in the hope that it will bring as much healing joy laughter and introspection to the reader as it did the writer

**Love & Wisdom** Jennifer Abrahams,2014-10-28 Everybody wants to be happy everybody wants to be loved and everybody wants to be treated right within their relationship with a potential spouse Everybody wants to get with someone who will treat them with respect and honor Everybody wants to get with a person of great quality But nobody really seems to be focusing on becoming an individual of great quality within their own mind set Love is so much more than a feeling or sensation Love is a way of thinking a way of behavior and a way of character Too often we want certain things from people without attempting to become what it is that we want from them ourselves Its one thing to find somebody who will love you right and its another thing for you to be someone who will love them right too You might be looking to enter into a relationship but it might just be that youre not conditioned to be in one right now Love Wisdom is more than just a book Its a reality check and a reality guide which will support you in reestablishing your reality so that you can eventually establish a loving relationship with another loving person

soft Below stood I beside my wife s freshly dug grave and the statue of a woman clinging to the cross I pondered our days in which we both labored under the sun I recall all the blessings in our life that the Lord God had done I remembered our trials I recalled our victories and their cost Yet what I remember the most is how through it all my wife Leah forever in faith clinging to the cross Now that she is gone and I this little man feel so alone I think I pray and I recall how God has always made the way now I too know what I must do and that is like Leah I am to cling to the cross each and every day J Allen Wilson 9 13 2008

**Riot Act** Sarah Lariviere,2024-07-16 Punk rock meets Orwell s 1984 in this story of a group of theater kids who take on a political regime perfect for readers who love books by A S King and Marie Lu In an alternate 1991 the authoritarian US government keeps tabs on everybody and everything It censors which books can be read what music can be listened to and which plays can be performed When her best friend is killed by the authorities and her theater teacher disappears without a trace Gigi decides to organize her fellow Champaign High School thespians to put on a production of Henry VI But at what cost

The Words of a Wonderin' Soul Matthew McIntosh,2020-03-24 This group of poems is a large summary of many life changing events In many cases I would be changing occupations and feeling down searching for work Sometimes coming up empty handed and running close to depleting my savings But then I would land a job interview and things would turnaround Also a few times I would meet a beautiful and wonderful person and fall into a tricky and often unstable relationship But most of the time I turned to music to ease the pain And it helped in trying to pick up the broken pieces of my Life Most of the time it worked but not all of the situations In those cases it only numbed the pain But this collection of poems is a brief portal into my life

*Works of Love* Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love

ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded      *Publication* ,1991      Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1990      **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2004**
