Loving Across The Color Line A White Adoptive Mother Learns About Race:

Loving Across the Color Line Sharon Rush,2000 In this memoir the author relates how her loving maternal relationship opened her eyes to the harsh realities of the American racial divide Interracial Intimacies Randall Kennedy,2012-09-12 With the same piercing intelligence as the bestselling *Say it Loud* *Interracial Intimacies* hits a nerve at the center of American society race relations and our most intimate ties to each other The best book written on the subject an exhaustive source of deep rich scholarship and surefooted brilliant analysis *Seattle Times* Analyzing the tremendous changes in the history of America's racial dynamics Randall Kennedy challenges us to examine how prejudices and biases still fuel fears and inform our sexual marital and family choices He takes us from the injustices of the slave era up to present day battles over race matching adoption policies which seek to pair children with adults of the same race He tackles such subjects as the presence of sex in racial politics the historic role of legal institutions in policing racial boundaries and the real and imagined pleasures that have attended interracial intimacy A bracing much needed look at the way we have lived in the past *Interracial Intimacies* is also a hopeful book offering a potent vision of our future as a multiracial democracy *White Parents, Black Children* Darron T. Smith,Cardell K. Jacobson,Brenda G. Juárez,2011-10-27 Looks at the difficult issues of race in transracial adoptions particularly the most common adoption demographic of white parents with children from other racial and ethnic groups Loving Sheryll Cashin,2017-06-06 A powerful look at *Loving v Virginia* the landmark case of interracial love and marriage that changed American history and inspired the 2016 film *White supremacy has long foiled love and love has long foiled white supremacy* Sheryll Cashin offers us this essential historical revelation and urges us to renew our old fight for the human right to love Ibram X Kendi author of *Stamped from the Beginning* When Mildred and Richard Loving wed in 1958 they were ripped from their shared bed and taken to court Their crime miscegenation punished by exile from their home state of Virginia The resulting landmark decision of *Loving v Virginia* ended bans on interracial marriage and remains a signature case the first to use the words white supremacy to describe such racism Drawing from the earliest chapters in US history legal scholar Sheryll Cashin reveals the enduring legacy of America's original sin tracing how we transformed from a country without an entrenched construction of race to a nation where one drop of nonwhite blood merited exclusion from full citizenship In vivid detail she illustrates how the idea of whiteness was created by the planter class of yesterday and is reinforced by today's power hungry dog whistlers to divide struggling whites and people of color ensuring plutocracy and undermining the common good Not just a hopeful treatise on the future of race relations in America *Loving* challenges the notion that trickle down progressive politics is our only hope for a more inclusive society Accessible and sharp Cashin reanimates the possibility of a future where interracial understanding serves as a catalyst of a social revolution ending not in artificial color blindness but in a culture where acceptance and difference are celebrated *Resisting Reality* Sally Anne Haslanger,2012-10-25 In this collection of previously published essays Sally Haslanger draws on insights from feminist and
