Swedenborg. Illustrative of His Doctrines and Disclosures. By George Bush Emanuel Swedenborg,1848 *Men of Our Times; Or, Leading Patriots of the Day* Harriet Beecher Stowe,2019-12-06 In *Men of Our Times Or Leading Patriots of the Day* Harriet Beecher Stowe delves into the characteristics and societal influences of prominent American figures during her era illuminating their impact on politics culture and morality Written in Stowe s characteristic prose that blends vivid storytelling with incisive critique the work serves as both a historical document and an ardent call for social awareness amidst the turbulence of 19th century America It reflects the literary stylistic conventions of its time merging biography with social commentary in a way that engages the reader and challenges the prevailing narratives of male leadership Harriet Beecher Stowe a prominent abolitionist and author is best known for her groundbreaking novel *Uncle Tom s Cabin* which catapulted her to international fame and reinforced her commitment to social justice Her experience as an activist and educator combined with her deep engagement with the sociopolitical issues of her time profoundly influenced her perspective on the public figures delineated in this work Stowe s rich tapestry of characters reflects her belief in the possibility of a reformed society through the actions of virtuous leaders Stowe s insightful exploration of the masculine ideals shaping her era makes this book an essential read for those interested in American history political dynamics and the evolution of social thought *Men of Our Times* not only acts as a mirror reflecting the complexities of its time but also invites contemporary readers to ponder the role and responsibility of leadership in forging a just society *The Hen* Marthus-Adden Zimboiant,2013-06-27 Indeed many men of knowledge have written more books about leadership using birds to relate to leadership Surprisingly almost these authors use eagle the king of birds as an example of a good leader That is to say they use the seven known important characteristics of eagle to claim that he is a good leader despising the other birds especially the hen Even no one has perhaps thought about the HEN female domestic fowl as being a good leader and for that matter she need to be studied more than any other bird However Marthus Adden Zimboiant does not agree that only eagle should be used as yardstick to measure a good leader He has perfectly studied the hen as leader using both the good and the bad side of the hen to reveal the behaviours of leaders especially in the churches today What I love on this book is that it tackles everything Every realistic situation on every ones life is revealed in this book After reading this book it will enlighten you about both good and bad leaders For example it will help you understand that something you thought it was right will actually prove the opposite This book is informative in a way that you will be able to review every bad thing you did which will help you make sure you are not going to do that again in the future In effect this book is a self guide about leadership *Men of our Times ... Biographical sketches ... With ... portraits* Harriet Beecher Stowe,1868
