19th century France this novel intricately weaves themes of commerce social ambition and the fragility of success within Balzac's richly detailed narrative style The work belongs to Balzac's broader series *La Comédie Humaine* which presents a vivid panorama of French society and it highlights the interplay between personal aspirations and the merciless realities of the capitalist landscape Honoré de Balzac 1799-1850 was a prominent French novelist and playwright whose deep understanding of human nature and societal structures informed his writing His own experiences in the rapidly changing world of 19th century Paris marked by the decline of the aristocracy and the rise of a bourgeois class shaped his characterization and themes Balzac's keen observations of social intricacies and moral complexities lend authenticity to *Biotteau's* descent from prosperity to despair reflecting the dreams and disillusionments of his contemporaries This compelling narrative not only offers an intimate portrait of César Biotteau but also serves as a microcosm of the broader societal changes occurring in France Readers drawn to tales of ambition power and the human condition will find Balzac's novel both engaging and thought provoking making it a timeless essential for anyone interested in classic literature

The Business of Reading Julian Lovelock,2022-02-24 In The Business of Reading Julian Lovelock charts the development of the English novel over the past hundred years Smuggling in titles from Scotland Ireland and the Caribbean he focuses on twenty texts written since the end of the First World War some well known but others less so placing them in their historical context Novelists represented range from D H Lawrence E M Forster and Virginia Woolf through Graham Greene Kingsley Amis and Iris Murdoch to such contemporary writers as Ian McEwan Maggie O Farrell and Graham Swift Written in a lucid style that reflects his expertise and enthusiasm Lovelock s innovative selection perceptive analysis and lightness of touch will appeal to the general reader the book club member and the student He argues that our response as readers is an important part of the creative process and while he mainly avoids the critical isms that have characterised recent academic debate he introduces such concepts as intertextuality metafiction and the role of the often unreliable narrator showing how an appreciation of the way the language of fiction works can only add to our understanding and enjoyment

The New Biographical Dictionary of Film David Thomson,2010 Thomson independent scholar writing of The Biographical Dictionary of Film aka A Biographical Dictionary of the Cinema 1975 edition described it as a personal opinionated and obsessive biographical dictionary of the cinema Thirty five years and several editions later that description still holds true of this expanded work The new dictionary summarizes salient facts about its subjects lives and discusses their film credits in terms of the quality of the filmmakers work In ambition it has competitors including Leslie Halliwell s various editions of Halliwell s Filmgoers Companion 12th ed 1997 and Halliwell s Who s Who in the Movies edited by John Walker 4th ed rev and updated 2006 which cover films and technical terms categories not included in Thomson s but whose entries are neutral and exceedingly brief Additionally Francophile Richard Roud s edited Cinema A Critical Dictionary The Major Filmmakers 2 v 1980 is as passionate a work as Thomson s but narrower in scope with entries written by various experts rather than only by Roud Finally the multivolume magnum opus The International Dictionary of Films and Filmmakers 4th ed 2000 ed by T Pendergast and S Pendergast 2nd ed ed by N Thomas v 1 CH May 91 1st ed ed by C Lyon v 1 2 CH Jan 85 v 3 CH Apr 87 v 4 5 CH Jun 88 covers everything films directors actors writers and production artists with generous measured scholarly entries and lavish illustrations However it looms large and heavy unlike the handy one volume work by Thomson Arguably Thomson s work for its scope is the most fun the most convenient and the most engaging title All libraries supporting people interested in film should buy it It will get lots of use and provide very good value for the money Summing
