Loving Man A Photographic Guide To Gay Male:

Loving Man Mark Freedman,Harvey Mayes,1976 *Gay Macho* Martin P. Levine,1998 *Gay Macho* presents the ethnography of this homosexual clone Martin P Levine a pioneer of the sociological study of homosexuality was among the first social scientists to map the emergence of a gay community and this new style of gay masculinity Levine was a participant in as well as an observer of gay culture in the 1970s and this perspective allowed him to capture the true flavor of what it was like to be a gay man before AIDS

The Psychology of Sexual Orientation, Behavior, and Identity Louis Diamant,Richard McAnulty,1995-10-18 This comprehensive overview of research issues and theories relating to sexual orientation behavior and identity by experts in various disciplines is unique in providing both historical perspectives and a synthesis of the recent advances in understanding homosexuality and heterosexuality Drawing from biological and psychological research this handbook critically reviews the major theories about sexual orientation and examines each theory on the basis of empirical support One section summarizes recent developments in genetic and neuroanatomic research Another section discusses problems with sexual performance among heterosexual homosexual and bisexual persons A third section provides overviews of clinical disorders or sexual deviations Various chapters clarify the distinction between sexual disorders such as pedophilia and sexual variations such as homosexuality Chapters also examine important social issues relevant to sexual orientation such as disability prejudice aging and gender roles Experts address the continuing controversy over the feasibility of altering sexual orientation new developments in treating different types of problems and changing perspectives today This handbook is designed for the use of educators students and researchers in the social and behavioral sciences

Social Perspectives in Lesbian and Gay Studies Peter M. Nardi,Beth E. Schneider,2013-09-13 This comprehensive reader brings a social science perspective to an area hitherto dominated by the humanities Through it students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present from the earliest research on the underground worlds of gay men to the emergence of queer theory in the 1990s Bringing together classic readings and the best work of younger scholars from all parts of the English speaking world this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender Separate sections cover theoretical foundations identity and community making institutions and social change challenges for the future Each section begins with an introduction giving readers a brief guide to the readings in that section contextualises them and relates them to one another and the book ends with an afterword by Ken Plummer summing up the present state of play and looking forward to the future
