Loving Relationships Self Others And God:

Loving Relationships Robert L. Shelton, 1987 *Kierkegaard and the Changelessness of God* Craig A. Hefner, 2023-08-22 Living what he perceived to be a culturally lukewarm Christianity S ren Kierkegaard was often critical of his contemporary church This volume explores his reading of Scripture and theology to argue not only that he was a modern defender of the doctrine of divine immutability but that his theology can be a surprising resource today *God as Sacrificial Love* Asle Eikrem, 2018-01-25 In dialogue with a range of post enlightenment critiques of Christian theologies regarding sacrificial love Asle Eikrem presents an unconventional systematic approach to this multi layered and complex theological topic From Hegel to prominent 20th century theologians from feminist theologies to postmodern philosophers this volume engages in a critical conversation with a host of different voices on all the classical topics in theology creation trinity incarnation atonement sin faith sacraments and eschatology also providing a moral and socio historical vision for Christian living The result is a unique appraisal of the significance that the life and death of Jesus holds for the world today **Love Does Not Control** Thomas Jay Oord, John Loppnow, Annie DeRolf, Christy Gunter, Lon Marshall, 2023-04-03 That love does not control seems obvious to many people And yet the temptation to control often with good motives is strong The long term results of yielding to this temptation damage everyone Contributors to Love Does Not Control explore uncontrolling love and a vision of God as uncontrolling They do so from their perspectives as therapists psychologists and counselors Writers ponder what uncontrolling love might mean for human healing Open and relational theology operates as the underlying framework for most contributors That theology fits nicely with the belief that love is uncontrolling Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator s uncontrolling love The essays in Love Does Not Control are diverse Readers may discover some differences of opinion as they move from essay to essay But contributors share in common the quest to explore what uncontrolling love means for issues in counseling psychology and or therapy These essays have a power that goes beyond mere theoretical reflection The ideas in these pages have the capacity to transform our living And even reading Love Does Not Control has the potential to become an exercise in uncontrolling love **Love and Christian Ethics** Frederick V. Simmons, 2016-12-15 At the heart of Christian ethics is the biblical commandment to love God and to love one s neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In Love and Christian Ethics nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad

and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research Love and Christian Ethics is sure to become a benchmark resource in the field Love God, Love Others, Love Yourself: A 90-Day Devotional for Young Women Briana Bass,2024-08-26 Our world is broken It needs more love We are broken We need more love When the world seems dark God s light shines through You are a vessel of that light By putting more love into a broken world you can become a beacon of hope In this three part devotional you ll explore what it means to love as God loves Each section focuses on a specific aspect of how God loves us and how we can share God s love with the world To do so we must first learn what it truly means to love God love others and love ourselves Through daily Scripture lessons journal questions activities and prayers you will Discover the depth of God s love Learn self care techniques Increase your Biblical literacy *Soul Psychology* Joshua David Stone,1994 There are tens of thousands of self help books on psychology and human relationships however there are very few that integrate the topics of the soul and spirit into the picture Most books on this subject focus on personality level self actualization The new wave in the field of psychology is transpersonal or soul psychology which will lead to monadic psychology for the more advanced students of the path The entire understanding of psychology is completely changed when the soul is properly integrated It has been said that personality level self actualization brings happiness soul level self actualization brings joy and monadic and spiritual level self actualization bring bliss *Embracing Vulnerability* Roberto Sirvent,2017-04-27 Arguments in favour of divine impassibility take many forms one of which is moral This argument views emotional risk vulnerability suffering and self love as obstacles to moral perfection In *Embracing Vulnerability Human and Divine* the author challenges these mistaken assumptions about moral judgment Through an analysis of Hebrew thought and modern philosophical accounts of love justice and emotion Roberto Sirvent reveals a fundamental incompatibility between divine impassibility and the Imitation of God ethic imitatio Dei This book shows that a God who is not emotionally vulnerable is a God unworthy of our imitation But in what sense can we call divine impassibility immoral To be sure God s moral nature teaches humans what it means to live virtuously But can human understandings of morality teach us something about God s moral character If true how should we go about judging God s moral character Isn t it presumptuous to do so After all if we are going to challenge divine impassibility on moral grounds what reason do we have to assume that God is bound by our standards of morality *Embracing Vulnerability Human and Divine* addresses these questions and many others In the process Sirvent argues for the importance of thinking morally about theology inviting scholars in the fields of philosophical theology and Christian ethics to place their theological commitments under close moral scrutiny and to consider how these commitments reflect and shape our understanding of the good life **The Love of God** John C. Peckham,2015-07-28 Theology has constantly wrestled with the nature of God s love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the

An Existential Phenomenology of Addiction Anna Westin,2020-02-20 Existential phenomenology can be a particularly helpful philosophical method for understanding human experience Starting from the perspective of the subject it can clarify and problematize subtle everyday relations enabling greater insight into difficult situations Used by contemporary philosophers as a way of understanding the embodied experience of illness this method has been helpful for understanding physical illness in the medical humanities offering a fruitful way of reading the subjectivity of mental states An Existential Phenomenology of Addiction examines how the experience of addiction engages both mental and physical phenomena within the existence of a particular human life using the philosophy of Emmanuel Levinas and Søren Kierkegaard The book maps out an existential phenomenology of subject in relation Both Levinas and Kierkegaard use decidedly psychological and theological language to situate their philosophy discussing the subject through concepts of love otherness responsibility and hope while played out in a situation of anxiety suffering desire and revelation Combining existential phenomenological discourse with contemporary addiction discourse Westin argues that the concept of subject as addict as found in the Twelve Steps Program and disease models of addiction ought to be replaced with the free and relational identity of subject as addicted *Rainbow of Experiences, Critical Trust, and God* Kai-man Kwan,2011-08-11 Defends a new type of epistemology the Critical Trust Approach and then applies it to the experience of God in the contemporary multicultural context **God's Wounds:**

Hermeneutic of the Christian Symbol of Divine Suffering, Volume One Jeff B. Pool,2009-01-01 This book constitutes the first volume of a three volume study of Christian testimonies to divine suffering God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering Divine Vulnerability and Creation This study first develops an approach to interpreting the contested claims about the suffering of God Thus the larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God Through this approach this volume of studies into the Christian symbol of divine suffering then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation

A Personal God and a Good World David J. Baggett, Ronnie P. Campbell, 2024-11-15 How people understand God has significant implications for their worldview Unlike traditional apologetic approaches that seek to establish God s existence through purely abductive reasoning A Personal God and A Good World adopts a more nuanced approach delving into the intricacies of modified classical theism a form of theism that emphasizes God s personal nature Ronnie Campbell and David Baggett a philosopher and a theologian seamlessly blend their expertise to present a comprehensive and engaging examination of this theological framework The book is structured into three distinct parts intended to unravel the complexities of theistic personalism and its implications for morality Part One provides a comprehensive defense of Anselmian theism and its alignment with the concept of moral truths Part Two delves deeper into modified classical theism defending its validity and highlighting its strengths Finally Part Three showcases the relevance of the Triune God of Christian theism in illuminating the moral landscape of our universe Through a series of compelling arguments the authors demonstrate how the Christian understanding of God provides a profound and meaningful explanation for the existence of moral truths and values A Personal God and A Good World is an invaluable resource for anyone seeking a deeper understanding of the connection between the Christian view of God and morality Through its rigorous philosophical and theological analysis the book challenges readers to reexamine their own beliefs and consider the profound implications of God s existence in shaping a moral and just world

Spiritual Formation in Local Faith Communities Neil Pembroke, Ewan Kelly, Theo Pleizier, William S. Schmidt, Jan-Albert van den Berg, 2022-03-31 Spiritual formation in our local churches is too often poorly done or it is virtually nonexistent We developed this innovative approach to spiritual formation in the congregation because it is desperately needed The prompt cards are used to spark deep reflection and shape potentially life transforming conversations with a pastor around spiritual practices spiritual character personal and social ethics and emotional well being The model was trialed in five countries We heard time and time again how the six week process fired a passion to go deeper with Christ Some reported praying regularly for the first time in decades Others found the Scriptures coming alive after years of going through the motions In this book the authors present a

simple but powerful method and offer in depth theological reflection on related issues Some of the important areas covered are early church approaches to spiritual formation contemporary spiritual practices spiritual character the indissoluble link between spirituality and moral virtue the spirituality of the pastor and the positive psychology approach **Love Makes No Sense** Jennifer Strawbridge ,Jarred Mercer,Peter Groves ,2019-01-30 The Christian faith is something people practice The Church prays listens to the Scriptures celebrates the sacraments cares for the suffering and liberates the oppressed This is where the task of theology begins In Love Makes No Sense each chapter engages central issues of theology but remains focused on the Christian life Although it is a book about doctrine Christian teaching it insists that one cannot present a doctrine of the Trinity or Incarnation or anything else in the abstract Teaching divorced from everyday life is not Christian teaching This does not mean this book is primarily practical as opposed to theological It is an invitation to Christian theology that refuses to separate the two The aim of this book is not to satisfy the intellect but to train its readers through approachable theological teaching to live the love that Christian theology proclaims Suitable for people looking to explore Christian theology more deeply be they life long Christians who want a deeper understanding of their faith new Christians or those who are interested in the Christian faith and looking to find out more
