Rex: A Love Story Mitt Winstead, 2019-02-03 A special human being is born from a test tube along with something added that will make him a living being capable of fantastic feats of intelligence strength compassion and death He can extinguish life as well as save it His mission is to rid the world of evil Satanism along with those in high places of government religion and Hollywood who practice it His wrath is especially vengeful toward those who abuse women and children His task becomes even more difficult after a serum is developed that replicates how he was conceived and it falls into the hands of a truly evil man bent on destroying the God like creature created in a test tube This book will take you into a world of horrible people who perpetrate evil things on innocent women and children but retribution is at hand with the coming of Rex

15 Tips for a Stronger Marriage Eric Elder, 2014-06-26 15 inspirational tips to help your marriage be the best that it can be Also includes 12 tips on parenting From the introduction by Eric Elder I was sitting with a couple recently to help them plan their wedding when the bride to be asked me to do something impossible she wanted me to talk at her wedding about marriage and what made my marriage to my wife Lana so successful She said she admired our relationship and wanted to learn whatever she could to make her marriage the best that it could be Here s why her request seemed so impossible how could I possibly summarize 23 years worth of thoughts on marriage in such a short message on her wedding day Yet her question also inspired me because I loved the idea of being able to pass along to them anything that might be helpful So I began to think of all the tips I had heard before we got married after we got married and throughout our 23 years of marriage I quickly came up with 4 or 5 sermons to share at her wedding In the end I only shared 1 simple message with them based on 3 words which I felt would help them get through anything they might face in the future I ll share those 3 words with you in chapter 6 as they serve as the glue that holds all the other tips together But I still wanted to share with this couple all the other great tips that God had brought to my mind The result is this little book that I m now sharing with you I wish I could say that if you ll just put these 15 tips into practice you ll be guaranteed success in your own marriage but relationships just don t work like that Each one of us is unique and each one of our relationships is unique Yet I still believe each of these tips can be helpful to you in one way or another even if it s just to talk through them with your spouse or spouse to be and then adapt and apply them to your own relationship To make this book easier to read I ve divided it into 7 chapters 6 of which are about marriage with a bonus chapter at the end called 12 Tips On Parenting I wrote this chapter in response to another question by some other friends who asked for my thoughts on that topic Since this book has 7 chapters you might want to read a chapter a day for 7 days or a chapter a week for 7 weeks You might also want to go through this book with a few other couples who are newly married nearly married or just want to strengthen their marriage no matter how long they ve been married Who knows This book may be just what they need to make their marriage not just good but great Any way you do it I pray God will bless you through it both now and for many

years to come In Christ s love Eric Elder

Love and Money argues that we can t understand contemporary queer cultures without looking through the lens of social class Resisting old divisions between culture and economy identity and privilege left and queer recognition and redistribution *Love and Money* offers supple approaches to capturing class experience and class form in and around queerness Contrary to familiar dismissals not every queer television or movie character is like Will Truman on *Will and Grace* rich white healthy professional detached from politics community and sex Through ethnographic encounters with readers and cultural producers and such texts as *Boys Don t Cry* *Brokeback Mountain* By Hook or By Crook and wedding announcements in the New York Times *Love and Money*

sees both queerness and class across a range of idioms and practices in everyday life How it asks do readers of Dorothy Allison s novels use her work to find a queer class voice How do gender and race broker queer class fantasy How do independent filmmakers cross back and forth between industry and queer sectors changing both places as they go and challenging queer ideas about bad commerce and bad taste With an eye to the nuances and harms of class difference in queerness and a wish to use culture to forge queer and class affinities Love and Money returns class and its politics to the study of queer life
