## **Low Man Rides Again:**

Low Man on a Totem Pole H Allen Smith, 2015-07-27 H Allen Smith has sometimes been referred to as the best selling humorist since Mark Twain. Considering that he wrote against the likes of James Thurber, Robert Benchley, and S J Perelman, that's quite a statement and probably true. He sold a million copies of each of his first several books, starting with Low Man on a Totem Pole. In this book, which might be called a fraction of his memoirs, Mr Smith claimed he could have filled twenty he recounts the high points of his life amid the human race, a race he appreciated and observed with a keen nose for the humor hiding in the most unexpected places. Here is a panorama of unlikely people who really existed, of inconceivable things that actually happened, of the commonplace rarities of our frenzied epoch. Among others, there is the newspaperman who suffered under the delusion that Herbert Hoover had bladders on his feet, the man who thoughtfully and perpetually bounced turtle eggs on a bar, a deaf dentist who trained his dog to act as his receptionist, a child prodigy who couldn't talk any too well but appeared to know more about swing music than the head usher at the Paramount Theater. All these are part of Mr Smith's life and times.

**The Bar 20 Rides Again** Clarence Edward Mulford, 1926 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975 **Encyclopedia of American Humorists** Steven H. Gale, 2016-04-14 First published in 1988, this book contains entries on famous American Humorists. Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character, both regional and national. Although American literature was in the past treated as inferior to British literature, there has always been a large popular audience for the genre, which this book shows. The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten, setting out to expose the foibles and foolishness of society and the individuals who compose it. It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume. Indeed, the book will demonstrate that the best humor has at its base a ready understanding of human nature.

**Lost in the Horse Latitudes** H Allen Smith, 2015-07-24 The horse latitudes are certain zones in the ocean which used to be the despair of sailing vessels. They are characterized by dead calms, light baffling winds, and hot dry weather. If a ship came along and got stuck in one of those dead calms, drinking water might soon run out, and then everyone would go berserk, including the horses if they were onboard. In fact, as passengers and crew clambered around in their berserkness, the horses might get thrown overboard. At least that's H Allen Smith's story, and he's sticking to it. Always quick to see the zany side of even the most serious of situations and known as a prankster, Smith descended on the Paramount lot like a plague of locusts and then proceeded to offer such vital contributions as mowing the lawn and asking for the men's room. He rubbed elbows daily with such great names as Charlie McCarthy and Edgar Bergen, W C Fields and James Cagney, as well as leading agents, directors, and producers.
