Sheffield,2019-12-27 This collection of correspondence and newly discovered family papers is a good read for anyone interested in WWI or the British Army The NYMAS Review Hugo De Pree was the nephew of the better known Field Marshal Sir Douglas Haig However De Pree had a distinguished military career in his own right He served in the Boer War He was sent to the Western Front as Chief of Staff of IV Corps and played a key part in planning the Battle of Cambrai in 1917 In 1918 De Pree was appointed to command 189 Brigade in 63rd Royal Naval Division His part in the March Retreat showed that he was not a chateau general In August 1918 he took the morally courageous decision to cancel his Brigade s attack

fearing heavy losses for little gain He was sacked but after appealing was appointed to command a brigade of 38th Welsh Division which he commanded with distinction in the last weeks of the war Afterward De Pree rose to Major General and was the Commandant at RMA Woolwich His son John was killed in 1942 when attempting to escape from a POW camp in Germany a story told in this book by one of the leading academics in the field which combines De Pree and Haig family papers with incisive commentary to give a multi faceted insight into both an important but obscure senior officer of the First World War and his hugely famous uncle *Jimmy Dorsey* Robert L. Stockdale,1999 The Dorsey brothers were prominent members of the Big Band fraternity in the late thirties forties and fifties Jimmy Dorsey A Study in Contrasts is a bio discographical text that spans Jimmy Dorsey s career as a musician orchestra leader and composer The book is a collection of chronological listings of every recording on which Dorsey is believed to have played or have been present interspersed with brief biographical notations and contemporary historical information that show the close relationship between his talents and his life experiences as well as points out the many contrasts between Jimmy and his brother Tommy in personality business drive and musical ability Each listing contains an abundance of information about the studio city and date of the session the name of the recording group its personnel and their instruments plus the matrix number song title vocalist if any and all the world wide releases known to be in existence including 78 rpm 45 rpm EP LP 8 track cassette compact disc and electrical transcription The listings even include any other titles under which the recording may have been released In addition to music motion pictures radio and television programs on which Dorsey worked or appeared the listings contain information about the Broadway musical productions where he was a member of the pit band In all over 3000 recordings and appearances are listed making this an unequaled and minutely detailed reference on Jimmy Dorsey one of the most influential musicians of the big band era *The Equality of Shadows* Charl-Pierre Naudé,2024-08-01 When an unusual building appeared overnight in a remote northern Cape community in the 1970s and disappeared a few weeks later it seemed to point to a series of baffling existential overlaps Some individuals claimed that occasionally they found themselves on the other side of a restive civil war divide in identity embodiments that were highly contrary versions of themselves In other cases absurd social situations seemed to mock normal reality by alternating with it When a small town journalist reported on the events his quiet life became cruelly disrupted by unwanted attention Were these accounts imagined or real Real enough to the eyewitnesses Traumatized and adrift the journalist later wrote up his story in reportage style when a childhood friend invited him to recuperate on her farm He believed he had narrowly escaped the disappearance of an entire region a place nobody has ever heard of and its people including the love of his life As the mystery unfolds with an aura of retrieved memory the narrator s lost love becomes an increasingly evocative presence *The Equality of Shadows* is a compelling novel in some places uproariously funny in others filled with deep pathos about the vagaries of identity love and time Rock 'n' Roll and the Cleveland Connection Deanna R.
