Live Life Like a Kung Fu Master William Moy, Paul Volponi, 2025-05-27 Live Life Like a Kung Fu Master is William Moy's personal invitation to become your teacher or sifu as he presents over twenty attributes techniques that will contribute to living a life made better by possessing Kung Fu Attributes such as balance structure distance awareness relaxation and traveling the shortest route between two points are presented both in terms of self defense and in making an impact on your daily life at home school work business and social encounters The text also features positional sketches drawn by William as well as links to a number of videos in which William demonstrates physical techniques for students to model William is joined on this literary Kung Fu journey by this long time student and disciple multi award winning author Paul Volponi In turn the co authors are joined by several renowned martial artists including Sammo Huang Karen Sheperd Grandmaster Tak Wah Eng Grandmaster Doc Fei Wong and Sifu Leo Imamura A score of contributors such as basketball Hall of Famer Dave Cowens two time Olympic Gold medalist Kayla Harrison glass ceiling breaking baseball pitcher Ila Borders famed tightrope walker Denis Josselin and World Scrabble Champion Joel Wapnick discuss how the attributes of Kung Fu relate to their many successes The term Kung Fu actually translates as time and effort equals a skill That's why you see establishments with names such as Kung Fu Bread and Kung Fu Tea These proprietors are not trumpeting their ability to fight Rather they're saying we put in the time to study and learn our craft and the result is that we are masters in our own arena baking bread or brewing tea In Asian culture people who are said to have good Kung Fu have a handle on their lives They are honest direct kindly and self assured These are values more highly prized than the

ability to fight What's the parallel between these prized qualities and the ability to physically defend yourself like a martial arts Kung Fu master Kung Fu especially Wing Chun Kung Fu is based on a center line theory of taking the shortest path a straight line between two points in defending yourself It is also based on calmness and relaxation enabling the practitioner to feel and quickly interpret incoming forces therefore bringing about a swifter and more focused reaction Cultivating such abilities will allow you to transfer their martial benefits onto daily situations in your personal social and business interactions William Moy's view of the teacher student relationship is a simple one Your sifu's role is to help you find your own Kung Fu Hence there are no cookie cutter students Each journey will be inherently different depending upon the individual student's physical attributes personality and goals In this very patient art there are no failures just students continuing on a path to their desired destination *Black Belt*, 1983-04 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world

Sensuous Cinema of Wong Kar-wai Gary Bettinson, 2025-03-20 The widely acclaimed films of Wong Kar wai are characterized by their sumptuous yet complex visual and sonic style Bettinson argues that Wong s films from *Days of Being Wild* and *Chungking Express* to *In the Mood for Love* and *The Grandmaster* are permeated by an aesthetic of sensuousness and disturbance achieved through techniques such as narrative disruptions jarring cuts the blocking of facial access and other complex strategies The effect is to jolt the viewer out of complete aesthetic absorption This tenth anniversary edition of *The Sensuous Cinema of Wong Kar wai* includes a substantial new afterword bringing the story of Wong s career up to date including reflections on the mainland Chinese drama *Blossoms Shanghai* Bettinson revisits and extends the arguments of the first edition surveys the recent key debates on Wong s filmmaking and introduces fresh lines of critical investigation Gary Bettinson s *Sensuous Cinema of Wong Kar wai* is a major step forward in our understanding of this director Bettinson scrutinizes Wong s unique place in world film culture his unusual production methods and his debts to several cinematic traditions both Asian and European A close examination of Wong s style shows in unprecedented depth how these lyrical apparently loosely constructed films are underpinned by a strong formal and emotional coherence The result is an unequalled study of a filmmaker whose work from *As Tears Go By* to *The Grandmaster* has redefined contemporary cinema David

Bordwell University of Wisconsin Madison Seldom has the sensuous been subjected to such a scientifically rigorous and yet moving account as Gary Bettinson's analysis of Wong Kar wai Chapter by chapter the logic of specific choices underpinning Wong's cinema produces a sense of revelation perfectly complementing the intense pleasures of watching the films In this second edition Bettinson focuses on the actor's work a stroke of genius for understanding an oeuvre where body language and gesture are so crucial Chris Berry King's College London In this essential study of acclaimed filmmaker Wong Kar wai Gary Bettinson exquisitely captures the director's cinematic sensorium and digs deep below a seductive visual surface to uncover a creative roughness that disturbs narrative and generic expectations Three cheers for this updated edition Gina Marchetti author of *Citing China Politics Postmodernism and World Cinema*
