"Practicing with real LSAT questions is necessary but not sufficient. In The Next 10 Actual LSATs, Law Services provides actual LSATs and answers, but no analysis and no commentary. In this book, Get Prepped provides the missing link—exceptional analysis and practical commentary—for all 5 right and wrong answer choices to the 1000 questions in The Next 10 Actual LSATs. In my 25 years of teaching and creating LSAT courses I have seen many LSAT prep books. This is one of the most accurate, well-organized and helpful books that I have encountered, and a bargain at boot!"
