Lucid Living Tim Freke, 2016-08-16 A stirring response to Eckhart Tolle's invitation to find the Power of Now that invites spiritual seekers to rethink awareness, awakening and presence. After a lifetime studying the world's spiritual traditions, pioneering philosopher Tim Freke presents the mystical heart of spirituality in eight transformative principles. Drawing from his personal experience, he compares spiritual awakening to the experience of lucid dreaming, except while in the waking state. Awakening is lucid living. This astonishingly direct book points to an awakened state, guiding you through a radically new way of looking at the present moment, step by step. It will take you less than an hour to read, but it could change your life for good. Since it was first published, *Lucid Living* has come to be seen by many as a modern spiritual classic. In this new edition, Tim Freke reworks, adds an eighth principle to account for the profound developments in his own understanding of awakening.

Lucid Living. Timothy Freke Timothy Freke, 2008-03 *Lucid Living* is a magical little book that distills the essence of the timeless wisdom of awakening and presents it in a funky new way. It is an experiential journey through seven extraordinary ideas that will completely transform your understanding of who you are and open up a wonderful new experience of being alive. Inspirational, utterly unique and destined to become a modern spiritual classic, *Lucid Living* is a life-changing book you can read in an hour.

Writing In The Sand Thomas Moore, 2010-07-01 A groundbreaking reinterpretation of the Gospels that shines a new light on the profound teachings of Jesus, recasting him as a spiritual visionary with a radical

vision for humanity Deepak Chopra This highly original take on the Gospels offers a fresh new way of imagining human life and society It presents Jesus not as the founder of a religion but as a world reformer offering a spiritual path to everyone from every background It offers a personal spirituality fit for the twenty first century where the individual bears responsibility for meaning and for a creative convivial way of life In his examination of the original Greek texts author Thomas Moore dismisses the cautionary voice of tradition and explores the deeper significance of language stressing the origins of words and the many levels of meaning in stories and imagery Through his study Moore shows that the teachings of Jesus are challenging in a far different way than the moralism often associated with them Based on being open to life deepening your understanding and giving up all defensiveness around your convictions the Gospels can be the source of a new kind of certainty and stability that cannot be codified and enshrined in a list of rules Writing in the Sand presents the essence of Jesus teachings and offers a way of understanding them intelligently and devotedly in the twenty first century
