Lucifer's Revenge Patricia Fish,2018-04-23 What would you do if you were FORCED to stay away from your children Would you fight to get them back Or would you just let them grow up knowing that they had a father but never knowing who he really was 10 years ago Lucifer took a girl away from his brother the one Gabriel was assigned to watch over and keep safe and even though love is forbidden he fell in love with her Lucifer stole this girl from his brother Gabriel and locked her away in a hotel he built in the caves of the Underworld Then as he kept her locked away from the world he came into her room and had his way with her through a rough and forceful night of passion without her consent forcing her to make love to him Weeks after Gabriel and the angels finally broke into the Underworld to rescue the girl she found out she was with child Lucifer s child 8 months later she gave birth to two beautiful twin girls by the names of Sara and Sophia named after her mother and Gabriel s mother Now the girls are 17 years old and about to graduate from High School with honors They were born Nephilim which is half angel and half human and smarter than any human alive because that was the trait of a Nephilim child born with more knowledge and ability to learn more than that of human children Lucifer wants them back and will do what it takes to get what is rightfully his For years he has watched them grow through the viewing pond provided by his father to view the outside world and now he s angry and wants to bring them home no matter the cost or whom he hurts Will he succeed or will there be another fight among the angelic brothers And how will Mia the girl Lucifer stole away from his brother react when she finds out Lucifer s back and wants to take away the most important treasures of her life ,
