Essential Lives is a series in Essential Library an imprint of ABDO Publishing Company **American Legends** Charles

s own quotes about her life and career Includes a Bibliography for further reading I don t suppose that hard work discipline  
and a perfectionist attitude toward my work did me any harm They are a big part of my makeup today as any of my co  
workers will tell you And when life seemed unbearable I learned to live in my imagination and to step inside other people s  
skins indispensable abilities for an actress Lucille Ball A lot of ink has been spilled covering the lives of history s most  
influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers  
can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute  
while learning interesting facts long forgotten or never known Lucille Ball one of the most famous and versatile stars in  
American history is above all defined by her charisma She did not possess the overwhelming beauty of her contemporaries in  
the entertainment industry yet her infectious enthusiasm continues to endear her to the American public even decades  
following her death Indeed at the time that I Love Lucy 1951 1957 ended the show still remained the most watched show in  
America Ball possessed an intangible quality that captivated audiences who were transfixed by even the most banal plot  
sequences in her sitcoms That Ball was able to withhold her popularity even after the ending of I Love Lucy testifies to the  
fact that she was always the star attraction on the famous sitcom Indeed even after separating from Arnaz Ball continued to  
achieve high ratings on her subsequent programs most notably The Lucy Show 1962 1968 and Here s Lucy 1968 1974  
Without doubt Ball s longevity and the magnitude of her popularity make her the most cherished comedienne in American  
history Given Ball s immense fame it is easy to strip her career out of its original context and assume that she would have  
risen to fame regardless of the medium However it is important to remember that I Love Lucy actually began when Ball was  
already 40 years of age a relatively advanced age for someone in the entertainment industry In fact from 1933 through the  
end of the 1940s Ball appeared in over 80 films with very minor roles in almost all of these while serving as a contract player  
for the MGM and RKO film studios There is thus a massive discrepancy between the fame she achieved in the television  
medium and her lack of success in cinema To this end Ball s career reflects the evolutions that occurred throughout the mid  
1950s with regard to the entertainment industry mass culture and the ways in which the American public consumed popular  
culture Where Ball was unable to rise to prominence in cinema she represented the ideal actress for the television medium  
and in this regard she introduced a new model for media celebrity one that was more accessible if less physically dazzling  
This biography explores the entirety of Ball s life and career with attention paid to her both her childhood and her pre  
television and television periods In so doing this study provides as complete a picture as possible of the enormity of Ball s rise  
to fame and how she was able to capture the favor of the American public American Legends The Life of Lucille Ball profiles
