The Runaway Man Sunny Day,2014-07-02 Tiffany tried to bluff him by putting out a fake smile but inside her mind was swimming with thoughts of confusion What just happened Did I hear a gun shooting Was anyone hurt I know I saw a gun in his back pocket Where are we going Wow mom I really miss you now Quote from Sunny Day This book is a spiritually driven action packed cliff hanger with a surprise twist

The Streak John Eisenberg,2017-07-04 A line drive hit of a book about the Iron Horse and the Iron Man two legends from two eras of baseball and the nature of human endurance The Wall Street Journal When Cal Ripken Jr began his career with the Baltimore Orioles at age twenty one he had no idea he would someday beat the historic record of playing 2 130 games in a row a record set forty two years before by the fabled Iron Horse of the New York Yankees Lou Gehrig Ripken went on to surpass that record by 502 games and the baseball world was floored Few feats in sports history have generated more acclaim But the record spawns an array of questions When did someone first think it was a good idea to play in so many games without taking a day off Who owned the record before Gehrig Whose streak Gehrig s or Ripken s was the more difficult achievement Through probing research meticulous analysis and colorful parallel storytelling The Streak delves into this impressive but controversial milestone unraveling Gehrig s at times unwitting pursuit of that goal Babe Ruth used to think Gehrig crazy for wanting to play every game and Ripken s fierce determination to stay in the lineup and continue to contribute whatever he could even as his skills diminished with age So many factors contribute to the comparisons between the two men the length of seasons the number of teams in the major leagues the inclusion of nonwhite players travel technology medical advances and even media are all part of the equation This is a book that captures the deeply American appreciation as seen in the sport itself for a workaday mentality and that desire to be there for the game every time it called It tackles the allure of human endurance and the pitfalls of fame but it is mostly a baseball book for baseball fans It succeeds as both a thorough accounting and a love note to the game The Washington Post
