Lucky Break How I Became A Writer:

Lucky Break Howard Junker, 1999 In *Lucky Break* Howard Junker introduces you to nineteen contemporary authors who describe their struggles and good fortune in transforming themselves into writers For some the idea of being a writer seemed to run in the family For others writing was a way of breaking with their families for still others writing was the only way to find their own voice to preserve what is uniquely theirs Collected from the pages of *ZYZZYVA* the West Coast literary journal these are very personal essays in which nevertheless other writers will discover something of their own stories and journeys Among the authors featured in *Lucky Break* are Sheila Ballantyne Opal Palmer Adisa Philip Levine Jewelle Gomez Justin Chin David Rains Wallace and Sallie Tisdale Becoming a writer is a mysterious momentous process The writers in this collection suggest that beyond talent and hard work and a lucky break there is more hard work the task of being a writer They offer accounts not of the craft of writing but of the many strands that must be woven together to create an identity as a writer

Zyzzzyva, 1999 **Roald Dahl's Marvellous Medicine** Tom Solomon, 2016 Roald Dahl's doctor provides a fascinating exploration of how his extraordinary interactions with medical science affected his life and his literature **Roald Dahl** Jeremy Treglown, 2016-06-28 A New York Times Notable Book A revealing look at the famous twentieth century children's author who brought us *The BFG* and *Charlie and the Chocolate Factory* Few writers have had the enduring cultural influence of Roald Dahl who inspired generations of loyal readers Acclaimed biographer Jeremy Treglown cuts no corners in humanizing this longstanding immortal of juvenile fiction Roald Dahl explores this master of children's literature from childhood focusing a tight lens on the relationship between Dahl and his mother who lovingly referred to him as Apple through to his death Treglown deftly navigates Dahl's time as a fighter pilot in the Royal Air Force exploring how the experience transformed many of the beliefs that influenced the English writer's work including *The Gremlins* which was commissioned by Walt Disney A former editor of the *Times Literary Supplement* Treglown discusses many of Dahl's most famous works such as *James and the Giant Peach* and *Fantastic Mr Fox* while also delving into his marriage to actress Patricia Neal combing through letters and archives to show a man who could be both comic and vitriolic thoughtful yet manipulative and irascible Treglown highlights many of Dahl's literary achievements as well as his breakdowns and shortcomings presenting a very personal and telling picture of the author and the inner turmoil that crippled him Separating the man from the myth Treglown's frank intimate portrait of Dahl illuminates the contradictions within the mind of this beloved author a man who could be both a monster and a hero It is required reading for book lovers and film buffs alike

CRASH! Randy Malamud,2024-12-12 CRASH explores the fascinating revealing and surprising cultural impact of plane crashes across art literature music media and creative nonfiction Plane crashes are covered extensively but they are not analyzed very deeply beyond rote media reports and forensic accident investigations This is despite the voluminous diverse and fascinating cultural materials poems and novels songs films art TV series and on and on that emerge in the wake of aviation disasters Randy Malamud reanimates these tragic events and identifies how they persist and resonate through our culture more than we might have imagined and in intricately far reaching ways A unique and extraordinarily wide ranging cultural examination CRASH takes the reader on a journey that includes reflections on flight phobia themes of crash survival with asides on Lord of the Flies The Little Prince and Ernest Hemingway s two day two crash adventure the existentialism of pilots last words the day the music died deep dives into modernist plane wreck paintings kamikaze pilots and their Zen death poems plane crashes before planes race crash and gender and the cultural aftermath of 9 11 Ultimately Malamud shows that crashes do not bring about complete and total destruction we accomplish some degree of restoration by shoring fragments against the ruins The plane is dead long live the plane *Popular Contemporary Writers* Michael D. values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children s preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they considering the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine in often unpredictable ways to generate and sometimes even sustain literary success *Poets & Writers* ,2003 *Beware the British Serpent* Robert Calder,2004 During World War II the United States was the target of what Gore Vidal has called the largest most intricate and finally most successful conspiracy directed at it in the twentieth century Great Britain s vast conspiracy to manoeuvre an essentially isolationist country into the war In *Beware the British Serpent* Robert Calder examines British writers involvement in this propaganda campaign including lecturing and touring in the United States broadcasting on American radio writing screenplays for films such as *Mrs Miniver* and *This Above All* and writing articles and books for publication in America **Cassandra Behind Closed Doors** Linda Sorpreso,2018-10-01 Yet behind closed doors the laughter faded and the fear came back At thirteen years of age Cassandra Romanelli s world had turned out to be everything she hated Cassie lived in a big Italian family with lots of complex relationships Dealing not only with the rules and regulations of a strict abusive father Cassie also struggled with bulimia and had to overcome the taunts and bullying from her classmates plus peer pressure and a struggle to be accepted Although pretty Cassie just saw herself as a chubby Italian girl who was in love with the one guy she couldn t have her best friend s boyfriend Following physical interference by a family member and betrayal by her best friend Cassie s self esteem plunged to an all time low The pressures she endured led her to listen to an inner voice that directed her to do a most shameful thing to her body Purge In her own mind Cassie felt that she was wise beyond her years She had seen too much experienced too many beatings and felt too many bruises and yet Cassie had no idea what was in store for her her real misfortune was just about to begin *Cassandra Behind Closed Doors* for young people is a window into real life and for adults is an insight into the world of today s kids with the issues they have to face every day **The Wonderful Story of Henry Sugar** Roald Dahl,2000-05 Meet the boy who can talk to animals the man who can see with his eyes closed and find out about the treasure buried deep underground on Thistley Green Here are seven superb stories full of Roald Dahl s usual magic mystery and suspense **Moulding the Medium** Patricia Stranahan,2016-09-16 Introduces to researchers the content of the Chinese Communist Party s first official newspaper the *Liberation daily* and examines its role in the acceptance and implementation of the party s goals during its span from May 1941 to March 1947 Includes chronological and topical outlines of the paper **The Brian Lumley Companion** Stanley Wiater,2007-04-01 Edited by Brian Lumley and
