Ida Lupino, Forgotten Auteur Alexandra Seros, 2024 The acting career of legendary star Ida Lupino is well known but there has been little analysis of her directorial career She was one of the few female directors in Classical Hollywood and the only one with membership in the Directors Guild of America between 1948 and 1971 Like Orson Welles her career was notable in transitioning from acting to directing first in film and then in television in addition to helping to create and run the production company The Filmakers sic Her films were notably about women navigating difficult positions in society dealing with controversial issues such as rape and bigamy Nevertheless she was the first female director of a noir film The Hitch Hiker which is a suspenseful tale of two motorists taken hostage by a serial killer in the Southwest Alexandra Seros a filmmaker herself examines Lupino s career with a focus on her directorial roles and how she navigated this as a woman as well as a wife and mother in male dominated Hollywood She explains how Lupino began directing and formed The Filmakers before providing a close analysis of three of her films Not Wanted Never Fear and the aforementioned The Hitch Hiker and examining how she navigated the shooting and negotiated with the censors to be able to tell the stories she wanted to tell Seros then details Lupino s transition to television and her taking the director s reins in that medium as well Lupino directed episodes in a wide variety of genres but specialized in Westerns and thrillers Even as the press and the studios tried to focus on her femininity as a dutiful wife and loving mother she often refused to play along and be coded as feminine in this way Seros analyzes three of Lupino s directed episodes comparing them with similar work done by noted male directors Nicholas Ray Robert Aldrich and Alfred Hitchcock stressing Lupino s efficient effective work in finishing the shows on time and within budget She finishes by arguing that Lupino was a new kind of auteur whose collaborative family approach to filmmaking was far ahead of its time

Ida Lupino, Director Therese

Grisham, Julie Grossman, 2017-05-23 Dominated by men and bound by the restrictive Hays Code postwar Hollywood offered little support for a female director who sought to make unique films on controversial subjects But Ida Lupino bucked the system writing and directing a string of movies that exposed the dark underside of American society on topics such as rape polio unwed motherhood bigamy exploitative sports and serial murder The first in depth study devoted to Lupino s directorial work this book makes a strong case for her as a trailblazing feminist auteur a filmmaker with a clear signature style and an abiding interest in depicting the plights of postwar American women Ida Lupino Director not only examines her work as a cinematic auteur but also offers a serious consideration of her diverse and long ranging career getting her start in Hollywood as an actress in her teens and twenties directing her first films in her early thirties and later working as an acclaimed director of television westerns sitcoms and suspense dramas It also demonstrates how Lupino fused generic elements of film noir and the social problem film to create a distinctive directorial style that was both highly expressionistic and grittily realistic Ida Lupino Director thus shines a long awaited spotlight on one of our greatest filmmakers RV Vacations For Dummies Harry Basch, Shirley Slater, 2008-08-11 From New England to the Oregon Coast from Texas to the Tetons America is full of fascinating and friendly places and your RV is a great way to get to any one of them This fun friendly guide shows you how to get the most out of RV vacations with fun itineraries and handy tips on Choosing the right route picking the right RV for your budget eating and sleeping comfortably on the road and planning ahead for special travel needs *Cue*, 1973 *TV Guide*, 2000 **Lucy A to Z** Michael Karol, 2001 **Daily Variety**, 1962 Catalog of Copyright Entries, Third Series Library of Congress.
